Hi Skokie D73-5!

We're so happy to be here and excited to fuel you through this school year with delicious, healthful meals! We bring better quality, better tasting, better-for-you foods into your cafeterias and aim to keep you happy, healthy, and of course well-fed! We want school lunch to be something you look forward to every day, so please share your feedback and menu ideas with us!

Please note:

The food supply chain is suffering delays and shortages nationwide causing us to experience unavailable items or last minute replacements. We apologize in advance if a posted menu item is not available, and we will always have a replacement item. Thank you for your understanding!
