GRADES: PKK

State and federal laws require public school districts to release report cards to the public each year.

This year, we have updated the report card to provide a full picture of school performance beyond just test scores. A display of this data designed with parents and communities in mind is available on illinoisreportcard.com. All of the metrics posted on illinoisreportcard.com are also included in this report.

Low-income students come from families receiving public aid; live in institutions for neglected or delinquent children; are supported in foster homes with public funds; or are eligible to receive free or reduced-price lunches. **IEP** Students are those students eligible to receive special education services.

Limited-English-proficient students are those students eligible for transitional bilingual programs. **Total Enrollment** is based on <u>Home School</u>.

Homeless students are who do not have permanent and adequate homes.

	High Sch. Dropout Rate	Chronic Truancy Rate	Mobility Rate	Attendance Rate
School		0.0	16.5	91.9
District		0.1	8.4	95.5
State		8.7	12.0	94.2

Mobility rate is based on the number of times students enroll in or leave a school during the school year.

Chronic truants are students who are absent from school without valid cause for 9 or more of the last 180 school days.

The No Child Left Behind Act requires that information for certain data elements be disaggregated by high- and low-poverty schools. Poverty (low-income) is defined on page 1 of all report cards. High- and low-poverty schools include those in the top and bottom quarters of the poverty distribution of schools in the state.

^{**} Due to the way Illinois school districts are configured, state averages for equalized assessed valuation per pupil and total school tax rate per \$100 are not provided.

Equalized assessed valuation includes all computed property values upon which a district's local tax rate is calculated.

Instructional expenditure per pupil includes the direct costs of teaching pupils or the interaction between teachers and pupils.

Operating expenditure per pupil includes the gross operating cost of a school district excluding summer school, adult education, bond principal retired, and capital expenditures.

Total school tax rate is a district's total tax rate as it appears on local property tax bills.

PARCC PERFORMANCE

These charts present the overall percentage of state test scores categorized as meeting or exceeding the PARCC expectations or DLM-AA Standards for your district, and the state.

Partnership for Assessment of Readiness for College and Careers (PARCC)

Each Performance Level is a broad, categorical level defined by a student's overall scale score and used to report overall student performance by describing how well students met the expectations for their grade level/course. Each Performance Level is defined by a range of overall scale scores for the assessment. There are five Performance Levels for PARCC assessments:

- •• Level 1: Did not yet meet expectations
- •• Level 2: Partially met expectations
- Level 3: Approached expectations
- Level 4: Met expectations
- •• Level 5: Exceeded expectations

Students performing at levels 4 and 5 met or exceeded expectations, have demonstrated readiness for the next grade level/course and, ultimately, are on track for college and careers. Performance Level Descriptors (PLDs) describe the knowledge, skills, and practices that students should know and be able to demonstrate at each Performance Level in each content area (ELA/L and mathematics), and at each grade level/course. PLDs are available at http://avocet.pearson.com/PARCC/Home.
