

CINCINNATI CHRISTIAN SCHOOLS

Christ-Centered 21st Century Education

Dear CCS Parents/Guardians,

Welcome to 2019! I pray that you had a wonderful Christmas Break with your family and loved ones. This year has been a blessed year for the Cincinnati Christian School Community. I'm grateful for your conviction that a Christian school education is an investment in your child's future. Thank you for your trust and the opportunity to partner together to teach, train and equip your children to become godly young men and women. As we begin this new calendar year, we are planning and preparing to provide our CCS students and families an exceptional 2019-20 school year.

During the re-enrollment period of January 7th through February 28, priority will be given to currently enrolled students. Consideration will then be given to new students who are siblings of current families. Families seeking financial assistance must complete the re-enrollment process by April 30th for consideration for the maximum award, as our funding for financial aid and scholarship is limited.

Open enrollment will begin March 1, 2019, and each student, whether new or current, will receive equal consideration in the admissions process at that time. I encourage you to complete the re-enrollment packet as soon as possible to secure your child(ren)'s seat for the 2019-20 school year.

For many years CCS has operated on an austere budget to make it through some difficult fiscal years, but I genuinely believe that the school has turned a corner. You will notice a modest 4% tuition increase for the 2019-20 school year. This increase in tuition will fund well-deserved raises for our faculty and staff, allow CCS to provide more substantial professional development opportunities and address the inevitable increases in our operational expenses – health insurance, utilities, and maintenance costs - as we continue to provide the quality education that you, our CCS families, deserve.

Our school has been a part of this community for nearly 50 years, and the Lord's hand of blessing and fingerprints are evident throughout the countless number of lives and families that have experienced a CCS education. Please share your experience with your friends, colleagues, and neighbors, as you are the most potent and powerful form of marketing that we have. Share your CCS story with those you know who would also benefit from a remarkable, uncompromised Christian education that prepares students to become the Christ-centered leaders of tomorrow.

As an incentive for sharing your story, I want to remind you that CCS offers a Referral Bonus for families you share your story with who enrolls their child(ren) in CCS. For more information on the Referral Bonus, please visit our website or keep a lookout for a separate mailing that will arrive in a few days with more information.

Thank you for your support of CCS, and I would ask that you pray for our school during this critical enrollment period.

Sincerely,

A handwritten signature in black ink, appearing to read 'Ray', is written in a cursive style.
