RENWEB INFORMATION & SIGN-UP

ren web

RenWeb is the student information system CCS uses. This database houses students' personal information. It is also used to produce report cards and transcripts. RenWeb provides parents with password-secure access to their children's data, via ParentsWeb, such as attendance, discipline records, and class schedules. It is also where a parent can access the school directory and record their volunteer hours throughout each school year. ParentsWeb is available 24/7 from home, work or on the road. (FYI: There is a RenWeb app available for your phone.)
To access RenWeb, go to www.renweb.com .

> ➢ **If you signed up for RenWeb last year**, you do not need to do anything. Your student's information has been automatically rolled over, and you have the same password as last year. If you have forgotten your password, go to RenWeb.com and follow the instructions for "Forgot your Password?"

RenWeb SIGN UP:

> ➢ **If you are not signed up, we urge you to do so**. It's easy!
>
> > o Go to www.cincinnatichristian.org . Click RenWeb in the upper right hand corner "Quick Links." This takes you to the RenWeb website.
> > o In "User Name" enter the email address that you wrote on your student's application. Click on "Create New Account." (If you do not remember which email address you wrote on the application, please contact the Admissions Office at lisa.coombs@cincinnatichristian.org.)
> > o RenWeb will send you your password. You only need to register once; you will be linked to all of your children's information.
> > o **Our school code is CCS-OH.** If you experience any difficulties, please contact helpdesk@cincinnatichristian.org.
