

CCS After School Art Classes

If you love art or just want to advance your skills in art, and it doesn't fit in your rigorous class schedule, we now offer classes after school. Each class will be an eight-week class offered the first and second semester. We are also offering private lessons if you want to advance your skills in a specific area of study. If you are interested in a class or private lessons contact Britni Ashford for more information at britni.ashford@cincinnatiachristian.org.
