

# Summer Fun at St. Catherine's Academy

Dear Parents,

Join us June 21st through July 16th, 2021 for a fun filled summer at St. Catherine's Academy for boy's entering 3rd-8th grade!

Our morning classes are designed to strengthen your son's knowledge of the basics; Math and Language Arts while fostering creativity with Art, Music, Calligraphy, Science and more!

St. Catherine's indoor, heated swimming pool, gymnasium, basketball courts, game room and athletic field make for endless possibilities when it comes to sports. The afternoon program is full of activities. Twice a week the boys have off-campus activities. Due to COVID-19 restrictions the off-campus activities will be determined closer the start of the program. Our month long residents will enjoy our 2 weekend Leadership Challenge Camp. LCC is a safe, structured, adventure that offers two full weekends of activities in the great outdoors. Participants will build confidence, camaraderie and team spirit. Come join us this summer! Please feel free to call us with any questions at 714-772-1363 or by email at [admissions@stcatherinesacademy.org](mailto:admissions@stcatherinesacademy.org)
