

Join us tonight Tuesday, August 25th, from 5:30 – 7:30 P.M. via Zoom, for our Virtual Open House. We know this is not ideal but there were too many concerns regarding the ebb and flow of people in and out the building to monitor and not enough staff to clean and sanitize afterwards. Times for students and their families to join a Zoom meeting and their links are listed below. All staff will be available either before or after their Zoom meetings to answer any questions you may have. The designated times are as follows:
