APPROVAL OF THE PREVAILING WAGE ACT

Each year, the Board of Education, by state law, is required to pass a resolution in compliance with the Prevailing Wage Law, section 39S-9. This law requires that each public body, during the month of June, investigate and ascertain the prevailing rate of wages as defined in the public act, then post this information or keep it available for inspection by interested parties.

We have received from the Illinois Department of Labor a copy of their prevailing wage rates. The resolution announces that contractors doing business with the school district in certain construction projects must pay prevailing wages. Once the Board has passed this resolution, we will send certified copies as required by the law to the Illinois Department of Labor and the Secretary of State. Also, within thirty (30) days after the Board has passed this resolution, a copy of the same will be published in a local paper giving notice to all interested parties.
