Parent Teacher Organization
PTO Emergency Board Meeting
Thursday, May 7, 2020

In Attendance

Julie Kovach, President
Laura Reutzel, President
Beth Zender, Vice President
Donna Griffin, Treasurer
Kate Byers, Secretary
Lynsey Wolfe, Registrar

Meeting Summary

1. 2020-2021 Update - The PTO Board finalized the proposed 2020-2021 budget and bylaws. Open committees will be in the OGS News
2. New Business

Due to current situation, each week the PTO Board will review and vote on requests to support immediate remote learning/e-learning needs to be implemented starting the following week. The PTO Executive Board, if has a 100% unanimous vote, can approve requests.

- 1) **Request for funds from Heather McCarty** for \$99.00 to purchase an apple pencil for teaching remote lessons on the iPad for 3rd grade.

This request was approved by 100% of the PTO Executive Board.

- 2) **Request for funds for Patti Tazzioli** for up to \$500 to purchase a monitor/screen, USB Cords, and Dry Erase Board.

This request was approved by 100% of the PTO Executive Board.

The technology would be purchased for use by Mrs. Tazzioli for as long as she needs; but, the screen/monitor would be the property of Oak Grove School. Mrs. Tazzioli will be asked to coordinate with Dr. Cacciatore & Scott Blumberg to ensure best pricing and compatibility.

There was discussion that while this request was justified and supported, the PTO would not be able to financially support the funding of screens, for example, for a large number of teachers should remote learning continue into next year. Should this become of interest to more teachers, the PTO will need to review the bigger picture and next steps.
