2020-2021 PTO Updates

To Our OGS Community,

We hope this finds you all healthy and doing well. We never thought we would be finishing our school year from home. We know our kids are all missing their teachers, friends, and end-of-year activities. Our thoughts are particularly with our 8th-grade class and retiring staff that never dreamed of finishing their time at OGS apart from what they held so close & special for so long. During these upcoming weeks, please share encouraging words with those you know.

The PTO has also been working hard to ensure its students and teachers are supported during this remote / e-learning, as well as providing virtual events when possible. We thank you for your continued understanding and support.

As we look to finish this year strong, we must at the same time start preparations for next year. The PTO Executive Board each year must review and update as needed its bylaws, budget and committees. Based on the current circumstances, the PTO had to cancel its May 6th meeting. However, each year at this time we present these draft documents for review. These are scheduled to be voted on at the final PTO meeting later this month, which will take place virtually.

Since we are limited with social restrictions, we have emailed each of these documents for your review. Any questions or concerns can be emailed to the PTO at [pto@ogschool.org](mailto:pto@ogschool.org) by May 15th.

A couple of items to note:

1. There have been a few updates to the bylaws to add clarification. New committees proposed for next year include "Family Socials" and "New Clubs/Activities" based on input this past year.
2. Due to the current circumstances, we had to "rollover" some budgeted funds from this year to next year. While officially we cannot roll over funds, we are allocating funds for events/items that we feel still need to occur once social restrictions are lifted, for example, the 8th-grade graduation and dance.

3. **Under Committees, we do still have a couple of Chair positions open. If you or anyone you know may be interested, please contact us at [pto@ogschool.org](mailto:pto@ogschool.org). These events will not happen without your help!**

Our final meeting will take place the week of May 18th, more details to be announced shortly.

Again, we thank you for your continued support from home and look forward to the time we can return and see all your smiling faces to celebrate our amazing school together.

Take care,

Julie and Laura
