

OGS PTO Committee Chairs Needed

Family Fest

Chair(s) work with a committee of volunteers to plan the annual school year kickoff that happens on the first Sunday after school is in session. This even could look like it has in the past (ticketed games and ativities) OR it could be block-party style with more casual yard games and food trucks!

Family Socials

Chair(s) utilize a budget to plan one or more family socials. These events could include open gym, sponsored outings, cornhole tournament or homerun derby. These events don't need to be complicated or fancy. Just pick an activity your family enjoys and work with volunteers to offer it to all families!

Vendor Market at Winter Market

Invite makers, crafters and sellers to participate in the Vendor Market at Winter Market. This Chair will correspond with vendors and coordinate their needs for the market. The day of the event (1st Saturday in December), this chair would be the point person for the vendors on-site.

Grades 4-5 Social

Chair(s) plan the event for all 4th and 5th graders to come together outside of school hours. These events are booked at local venues such as trampoline parks, at the ninja course, etc. The Chair(s) coordinate a basic snack and oversee registration and day-of activities.

5th Grade Coming of Age

Help the PTO reimagine our "Coming of Age" event(s) for 5th graders next year! This may include planning an event for students and a parent, but there is room for creativity to plan what students and parents want most!
