Dear Parents,

We hope all is well with you and your families. We understand that times are not ideal, but are very appreciative of all the work you have done helping your child(ren) with their E-Learning over the past weeks.

Student supply pick-up and Chromebook turn-in dates have been set after Memorial Day. Please see the schedule below to come during the assigned time. **Please bring Chromebooks, iPads, chargers, unreturned library books, or anything else that needs to be returned** at this time. You will also be able to pick up your child's belongings. Parking will be in the back of the school, enter door 4, and everything will take place in the gym. Teachers will be at tables during their designated times and are excited to see their students! If you have children of varying grade levels, you'll only have to come to one scheduled time to receive all belongings.

Please be sure to bring your child's birth certificate and shot records with you. If you have any questions or concerns, don't hesitate to contact us.

Thank you for your support,
