Academic Program

It is recommended that students select the most challenging academic program available to them. Post-secondary schools place a great deal of emphasis on a rigorous high school schedule. Students planning to attend a post-secondary program should, at minimum, have completed the following as part of their high school program:

- | | |
|-----------------------------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| 1. Four years of English | 6. Study in elective areas of interest -Agricultural Science, Fine Arts, Computer Technology and Business, Family and Consumer Sciences, Vocal Music, Instrumental Music |
| 2. Four years of Mathematics | 7. Semester Course in Financial Literacy |
| 3. Three years of History | 8. A total of 130 credits |
| 4. Three or four years of Science | |
| 5. Two or three years of World Language | |

Grading Intervals

A+	100-99	B-	86-85	D	74-72
A	98-95	C+	84-83	D-	71-70
A-	94-93	C	82-79	F	69-0
B+	92-91	C-	78-77
