

Parents,

1. Below are the steps for your athlete to complete rschool registration, which replaces some paperwork. **This is necessary only if they did not play a Fall sport.**
2. A hard copy of the physical and health update(which is required for all winter athletes bc of COVID) need to be handed in to the athletic office.
3. If an athlete has played a fall sport, your athlete does not need to re-register in rschool, just simply login and add the winter sport in their account.
4. If they are playing a sport for the first time in the 20-21 school year, they will need to register in rschool and complete all of the necessary steps.

Here is the link

<https://sites.google.com/newtonnj.org/nhsathletics>

that leads to our athletic home page. First thing on there is

[Click Here for Newton High School Athletic Registration](#)

This brings you to the rschool registration page, which looks like this:

Welcome to Newton High School Athletic Registration

Choose any icon below to begin

Choose the first icon and register under new user / create a new account.

There are several steps in there. Please be sure to remember that physicals and/or New Health Update forms still need to be submitted in hard copy to the athletic office. They can be mailed or dropped off, labeled attention to Athletic Director/Ryan Hashway.

Once the registration is complete, we highly urge parents to sign up for notifyme to receive notifications of changes concerning their son/daughters games.

This is a completely new process for NHS, so we appreciate your efforts, patience, and understanding.
