About Our Program:

The **Summer Arts Camp** program provides a channel for a child's natural gifts of imagination and role playing. First, through theater arts, children sharpen their creativity, improve their communication skills, gain self-confidence, and learn the importance of teamwork. Secondly, children enjoy becoming a part of the magic that they can create. Lastly, each of our sessions has a specific theme and concludes with a performance for friends and family.

Open to Grades Kindergarten to 8th
