

# COVID-19 Screening On-line Certification

Teacherease supports students who are in-person at school, remote learning, or a hybrid of the two. If students physically come to school, they must pass a COVID-19 screening (completed by their parent/guardian) before entering the building. If they are remote learning, they check-in online to remote learn. Both can be completed on the parent/student portal.

For students coming to school for in-person instruction, the parent/guardian is prompted to complete a COVID-19 screening questionnaire when they log in to the system.

The screenshot displays the TeacherEase Parent Main interface. At the top, there is a navigation bar with links for Main, Academics, Communicate, Miscellaneous, Support, and Log Out. The user is logged in as Rhona Celestia Cunningham at Cruncheon Hall Primary School, Grade 5. A modal window titled "COVID-19 Screening" is open, prompting the user to fill out a screening for their students. The modal lists two students: Rhona Cunningham and Elizabeth Cunningham, each with a "Create Screening" button. Below the modal, there is a notification that "dfghjk has been assigned." and a "Start" button for an "Online Quiz". The background interface shows a "Quick Links" section with icons for COVID-19 Screenings, Assignments, Grades, Attendance, Targets / Rubrics, Send Email, Email Logs, Subject, Fees, and Report Card. A calendar view for 8/10/2020 - 8/17/2020 is also visible, showing no events for the given date.

The parent/guardian completes one for each student. The questions on the next page are examples of what one school chose to ask. Elwood School questions will match our Self-Certifying Health Screening Form.

## Create COVID-19 Screening

**\*Date:** 8/10/2020 1:13 PM

**Student:** Rhona Celestia Cunningham (2293) - 5

**\*Questions:**
