

ASSUMPTION OF RISK AND WAIVER OF LIABILITY RELATING TO CORONAVIRUS/COVID 19

The novel coronavirus, COVID-19, has been declared a worldwide pandemic by the World Health Organization. COVID-19 is extremely contagious and is believed to spread mainly from person-to-person contact. As a result, federal, state, and local governments and health agencies recommend social distancing, wearing facial coverings, and have, in many locations, prohibited the congregation of groups of people.

By participating in Sisters of Notre Dame de Namur (SNDdN) Live the Good (LTG) events, I agree to follow all federal, state, and local laws and orders governing prevention and treatment of COVID-19, including but not limited to the following:

I will not participate in LTG events if I or someone in my home is symptomatic (e.g., fever, cough, shortness of breath), or if someone I've come into close contact with is under investigation or diagnosed with COVID-19; will use face coverings and practice social distancing at all times while participating in LTG events; will keep at least six feet from other people even when working outside; will use gloves at all times to handle tools and equipment as applicable. LTG will provide hand sanitizer and cleaning supplies such as Clorox wipes and paper towels on site. I will frequently use these cleaning products for myself and for equipment between uses. If I do not see cleaning products, I will ask a LTG representative and they will be provided. SNDdN cannot guarantee that I or others will not become exposed to or infected with COVID-19 by participating in LTG events regardless of whether the protocols, laws, and orders are followed, and regardless of LTG's reasonable efforts to protect against the spread of COVID-19.

By signing this agreement, I agree to adhere to the above protocols and rules governing COVID-19. I agree that my attendance or participation in any LTG program may increase the risk of contracting COVID-19. I acknowledge the contagious nature of COVID-19 and voluntarily assume the risk that I or others may be exposed to or be infected by COVID-19 by attending or participating in LTG events, and that such exposure or infection may result in personal injury, illness, permanent disability, or death. I understand that the risk of becoming exposed to or infected by COVID-19 at LTG events may result from the acts, omissions, or negligence of myself and others, including, but not limited to, volunteers and other program participants. I understand it is impossible to prevent all potential sources of transmission of COVID-19 despite all reasonable efforts of SNDdN.

I voluntarily agree to assume all of the foregoing risks and accept sole responsibility for any injury to myself or others I come into contact with, including but not limited to personal injury, disability, or death, as well as any illness, damage, loss, claim, liability, or expense, of any kind, that I or others may experience or incur in connection with my participation in the LTG program due to exposure or infection by COVID-19. I hereby release, covenant not to sue, discharge, and hold harmless SNDdN, its employees, agents, and volunteers, from any and all liabilities, claims, actions, damages, costs or expenses of any kind arising out of

or relating to my participation in the LTG events. I understand and agree that this release includes any claims based on the actions, omissions, or negligence of LTG agents, SNDDN employees, and volunteers, whether a COVID-19 exposure or infection occurs before, during, or after participation in LTG events.
