

Dear Preschool Parents,

As Pennoyer School is a recipient of the Preschool for All (PFA) Grant, basic school supplies are covered, and do not need to be purchased for your Preschool child.

It is important for you and your child to be prepared for his or her first day of school. Making sure that your child attends on time daily and is well prepared with the suggested supplies will help them create a routine and be set up for success from day one!

We suggest that you provide only the following supplies for the first day of Preschool 2019-2020:

1. *Backpack*
2. *2 pairs of complete change of clothes in ziploc bag with name on it*
3. *Extra pair of shoes and socks*
4. *Sippy cup for snack if child does not drink from an open cup*
