PULASKI COMMUNITY SCHOOL DISTRICT

Glenbrook PTO News

From the Halls of Glenbrook

I cannot believe it's the end of January already. This month just flew by, and spring is near, I can feel it! There were so many things on the calendar. Earlier in January, once students got back in the routine of school, students had their fill with testing. MAPS testing, Running Record assessments were given, PALS, and AIMS Web to name a few. This time of the year, we do have a lot of testing, but it sure is rewarding to see all of the academic gains and growth. In January, our Glenbrook Kids for Housing project raised just short of a thousand dollars.

Glenbrook also had our annual 3rd grade Geography Bee. Congratulations to Ian Mogendi who took 1st place in our Geography Bee, and our runner up Connor Burant. Great job gentlemen! We celebrated our annual Glenbrook & District Crossing Guard luncheon. All of our crossing guards that work each and every day, rain or shine, helping our students cross the roads receive gifts, homemade cards, and enjoy a special lunch with our students.

An update on our former computer lab, now Collaboration Commons, the furniture has been ordered and we cannot wait to start utilizing this room more. With February just around the corner brings the PTO sponsored school Snowball Dance on the 12th. Please remember, students need to have an adult with them in order to participate in this PTO event.

From the halls of Glenbrook we wish everyone a bright and warm February!

Please remember to have your children dress appropriately.

- Mr. Zurko
