The winter months often bring weather changes which impact student transportation. Listed below is information related to inclement weather.

Many elementary students (Fairview, Hillcrest, Lannoye and Sunnyside) are picked up and dropped off by a bus that runs a middle school/high school route first. In this case, the second route bus may be running a bit behind schedule on days when the weather is bad.

Whenever roads require slow bus travel, please be aware that your children will be arriving home later than the usual time. It may be as much as a half-hour or more later. We ask that you be patient in dealing with this situation.

Should you have a need to contact the school concerning a late bus, dial the appropriate after-hours number as follows:

Glenbrook:	822-6100	Fairview:	899-6300	P.C.M.S.:	822-6500
Lannoye:	865-6400	Sunnyside:	822-6200	P.H.S.:	822-6700
Hillcrest	272-6900	Transportation:	822-6040	District:	822-6001

Someone at the respective building will take your message and get back to you as soon as possible.

SCHOOL CLOSING INFORMATION

Information regarding the status of school closing, late start or early dismissal can be obtained by listening to the **radio or television**. Announcements will be forwarded for broadcast by the **radio and television stations** as soon as decisions are reached before school or during the day as conditions warrant.

Tune your radio to WTAQ (1360 AM), WQLH (98.5 FM), WDUZ (1400 AM), WNFL (1440 AM), WNCY (100.3 FM), WIXX (101.1 FM), WROE (94.3 FM), WOCO (1260 AM, 107.1 FM), WLYD (99.7 FM), WOGB (103.1 FM) or WTCH (960 AM, 99 FM) for any weather closing information.

We will also have this information on WBAY-TV (Channel 2), WFRV-TV (Channel 5), WGBA-TV (Channel 26), WACY-TV (Channel 32), and FOX-TV (WLUK– Channel 11) for those who are hearing impaired.

As an additional option, information will also be available on our District website at www.pulaskischools.org

Every effort is made to make a decision regarding school by 6:00 a.m.

EMERGENCY/ WEATHER RELATED LATE START

When a two-hour delay is called, routes will run two hours later than regularly scheduled.

[Emergency/Weather Related Late Start / Early Dismissal Schedule](#)

EMERGENCY/WEATHER RELATED EARLY DISMISSAL

When an early dismissal is called, we will **follow** the drop-off schedule and dismiss the **middle school, high school, Glenbrook and BVM** students and then the **elementary** school students.

Early dismissals require communication to determine where your child should be dropped off. We ask that if you select an emergency drop-off site for your child, you keep it in your neighborhood and on the same bus route. Please notify your building principal, in writing, **by December 1** if you wish an emergency drop-off site.

Please do not call the schools to determine if they will be dismissing early because all telephone lines are needed to notify bus drivers/contractors and to contact the radio stations, weather bureau and other agencies.

EARLY CHILDHOOD AND PEEP

1. When the district is canceled for the day, the early childhood and PEEP programs are canceled.
2. The morning session of early childhood and PEEP are canceled when there is a late start.
3. The afternoon session of early childhood and PEEP are canceled when there is an early dismissal.

Thank you for your cooperation in all weather-related circumstances. We appreciate working with you and your children. If you have any questions, please contact your building principal or the Transportation Office.
