

## **COPFCY - FAMILY AND CONSUMER SCIENCE COOPERATIVE CLASS**

Year Course                      Grade 12                      .5 Credit                      Prerequisite: See below

This senior-level course is designed for students interested in a school-day work experience their senior year. Topics covered include career opportunities, career decision-making process, human relations in the workplace (teamwork, leadership, ethics, sexual harassment, attitude), communications (listening, speaking, writing), legal aspects of employment (payroll, unions), and job-seeking skills.

This is a required course for participation in the co-op work experience.

## **COPFWC - FAMILY AND CONSUMER SCIENCE COOPERATIVE WORK EXPERIENCE**

Year Course                      Grade 12                      1 Credit                      Prerequisite: See below

Students are able to apply classroom skills by participating in a work-release program. Students enrolled in course COPFWC must obtain a job in a *FACS-related* career cluster:

**Education and Training:** Childcare facilities, Educational aide

**Health Science:** Certified Nurses Assistant (CNA), other Hospital or Nursing care programs/support services

**Hospitality and Tourism:** Foodservice, Lodging, Travel and Tourism, Recreation programs

**Human Services:** Childcare facilities, Consumer services, Personal care services, Community centers

**Arts, A/V Technology and Communication:** Clothing and/or Interior Design Retail, Design, Repair

Note: Student can elect to take the classroom portion (COPFCY) without participating in the job site portion
