“Ensuring All Students Are Successful!”

October, 2012

Dear Parents/Guardians:

The Pulaski Community Middle School staff is excited to provide your child with an after-school homework help opportunity. The homework help will take place Monday-Thursday beginning on October 29th- December 20th and resuming January 2nd-April 18. Parents/guardians will need to provide a way home for their student(s) at 4:00 p.m. Students will have access to teachers with experience in a variety of subjects each day of the week. Pulaski High School students will also be available to assist individual students.

Our plan is to alleviate any concerns regarding missing materials and assignments that students encounter when they are working at home on their assignments. In addition, computer access and the use of the library media center will be available to students as needed. If you would like your child to participate in the homework help program, please complete the form below and return it to Mrs. Nikki Gerth in the student center.

We look forward to working with your child and providing them with the additional tools for academic success. If you have any questions, please contact me at 822-6510 or via email at njgerth@pulaski.k12.wi.us.

Sincerely,

Mrs. Nikki Gerth,
PCMS School Counselor

PCMS Homework Help Program

I would like my child(ren) to participate in the after-school homework help program at PCMS, from 3:00 to 4:00 p.m.
