Scholarship Opportunity

JA BUSINESS CHALLENGE

Your high school students will have an opportunity to win over \$3000 in scholarship money while experiencing real-world business in action.

We invite your students to join the 2019 Junior Achievement Business Challenge! Over \$3000 in scholarship money is up for grabs as students increase their understanding of running a business in a competitive, high-tech marketplace. At this one-day FREE event, 9-12th graders will operate a virtual company through an online business simulator. Teams of two students compete to outperform their competition making decisions about product price, marketing, research as well as development and business practices.

Space is limited to 32 teams and will be registered on a first-come, first-served basis. Students can sign up with someone or we can assign them a team member. An adult mentor will be assigned to guide them through the competition. Teachers, you are invited to act as their mentor if you choose or we will provide a business mentor for each team. All students and mentors are required to register online to reserve your spot. <https://www.surveymonkey.com/r/T2WJ9R3> for the 2019 JA Business Challenge.

- **Friday, March 1, 2019 | 7:30 am – 2:00 pm**
- **Northeast Wisconsin Technical College (NWTC) Corporate Conference Center
2740 W. Mason St. Green Bay**
