You **should** bring the following items to the exam room:

- **Several sharpened No. 2 pencils** (with erasers) for completing multiple-choice answer sheets (NO mechanical pencils)
- **Pens with black ink** for completing areas on the exam booklet covers and for free-response questions in most exams
- A watch (in case your exam room does not have a clock that you can see easily)
- Up to two calculators with the necessary capabilities if you are taking an AP Exam that allows for calculators (Visit [www.collegeboard.com/ap/calculators](http://www.collegeboard.com/ap/calculators) to learn more about the calculator policy for each of these exams along with a list of authorized calculators )

You **should not** bring the following to the exam room:

- Cell phones, smart watches, fitbits, digital cameras, personal digital assistants (PDAs), Bluetooth-enabled devices, MP3 players, e-mail/messaging devices, or any other electronic or communication devices - **these are prohibited from the test site and will NOT be allowed!**
- Books, compasses, mechanical pencils, colored pencils, correction fluid, dictionaries, highlighters, or notes
- Scratch paper
- Computers or calculators (except as noted above)

- Watches that beep or have an alarm
- Portable listening or recording devices (even with headphones) or photographic equipment
- Food or drink - you will be provided a snack and water for your break
- Clothing with subject-related information

You are required to arrive at the testing site **no later than 30 minutes prior to your exam**: 7 30 a.m. for the morning administration and 11 30 a.m. for the afternoon administration. Students may not be dismissed until an exam has officially ended, do not ask to leave early if you finish before the end of the exam. If you play a sport or have a job, it is your responsibility to inform your coach or employer of your AP Exam obligation, and arrangements should be made accordingly.

Get a good night's rest before your exam and eat a nutritious breakfast. You are allowed to bring a snack and beverage to the testing site for your 10-minute break. However, food and drink are prohibited in the exam room (they will be provided at break). It is advisable to bring a sweater, in case the room temperature is below your comfort level.

You are required to abide by the policies of both the College Board and Pulaski High School during the exam period. Any misconduct will be reported and could jeopardize your AP Exam score. Please note that if you are not attending school outside of your scheduled exam time, your parent or guardian must call to excuse your absence. An attendance roster will be published for the school prior to and after an exam for the purpose of excusing students from classes during the scheduled exam.

Be sure to review the 2018-19 Bulletin for AP Students and Parents that you received in late February. If you have any additional concerns, please feel free to contact me. Good luck!
