Adventure Camps Registration Now Open

Your Adventure Camp Starts Here!

The NEW Zoo & Adventure Park is excited to announce the addition of Adventure Camps at our Adventure Park this summer! Registration is now open online for these exciting new opportunities.

Adventure Camps are educational, recreational, and most of all: tons of fun! Each program allows campers to get a look behind-the-scenes at the Adventure Park, while also challenging them to become the best version of themselves. Each day's theme will give campers opportunities to learn a new skill.

Two sessions of four-day camps will be offered this summer, with up to 20 campers participating in each camp:

Trekker Camp (Ages 6 – 9): June 24th through 27th, 8:30 a.m. to 12:30 p.m. daily

Youth ages 6 – 9 will embark on a quest to become a Trekker. Campers, who climb, hike, zip, and complete the ropes course will be recognized for their accomplishments. Each day will focus on a new area, while teaching safety, team work, and most of all having fun. The camp is challenge by choice. We encourage all of the campers to participate in all activities, but they choose what they are comfortable doing.

Explorer Camp (Ages 10 – 14): July 8th through 11th, 8:30 a.m. to 12:30 p.m. daily

Youth ages 10-14 will gain and test their skills to become an Adventurer. Campers, who climb, hike, zip, and complete the ropes course will be recognized for their accomplishments. Campers will have fun, while learning team work and safety. The camp is challenge by choice. We encourage all of the campers to participate in all activities, but they choose what they are comfortable doing.

Cost is \$120.00 for Non-Members, \$110.00 for NEW Zoo Pass Members, and \$100.00 for Adventure Park Members.

More information can be found at www.newzoo.org/adventure-park/adventure-camps, or by calling 920-662-2148 or emailing zip@newzoo.org

The Adventure Park is open weekends in May, September, and October, and daily in June, July, and August. Park hours are 10:00 a.m. to 6:00 p.m. Group pricing and programming is available. Additional information can be found online at www.newzoo.org/adventure-park.
