

# LOOKING FOR GAME-TESTERS!

Students and Parents,

**Bay Tek Entertainment**, a game manufacturer in Pulaski (we design and build games for Chuck E. Cheese & Dave & Busters) and strong supporter of the schools and community, **is looking for interested students (and parents!) to participate in new game prototype testing, licensing discussions and focus group activities.** These types of activities will take place sporadically through the summer and fall of 2019, and will require transportation to and from Bay Tek (1077 E. Glenbrook Drive). Each request might be a slightly different time requirement, but typically 15-30 minutes in length in the “after-school” hours (3-5). We will also specify if we are targeting a specific age group, gender, or interest. Participating students will not only get to play cool, new games but also receive a \$10 gift card to area restaurants/stores (Cousins/10X, Dairy Queen, Subway, etc...) for each test/visit.

**Here’s how it works:** Parents, submit your students' names, ages, and genders along with your name and email and mobile phone (optional, but recommended). When Bay Tek has a need for a focus group, we will distribute an email to the interested participants with (some) details of the game test, but specifically the day(s), time(s) and location. You can then respond to that email if you are interested and available and we will schedule your visit. No worries if it doesn't work during that day/time, we will continue to email you for future testing opportunities.

We hope you sign-up – We think you'll have fun!

Thanks,  
Eric Schadrie  
Concept Development Manager  
Bay Tek Entertainment
