PTO Meeting Minutes

Principal's Update – Kurtis Sufka via email

- We have 80 RSVPs for movie night
- Facilities is working with Northern Sound on the audio system installation
- DQ Night: some teachers have already signed up to work. Beth J. says the artwork will be ready by the Friday prior to the event.

Financial Update – Becky Backes

- Handed out the Treasurer's Report. Money from Art to Remember, Box Tops, and the Snowball Social was deposited and expenses for the upcoming Beach Day, field trips, Zoomobile, audio system, crossing guard supplies, Snowball Social, and FFN were paid out. We have an ending balance of \$7,934.00.

Community Updates/Upcoming Events

- Conference Food: Kylie will check with Kurtis to see which night we're in charge of, then with the Polish Chic to see what they can offer for options. If it isn't something we're interested in, Hilary will put together a Signup Genius to ask for donations for a potluck style dinner.
- Polish Chic Fundraiser: Tracy W. brought a sample flyer in. If \$1000 of sales are reached, the school would receive 50% of the profit. Tracy will look into the amount of work (on our end), processing time, how long the fundraiser typically lasts, etc. If it seems manageable, we will do the fundraiser in May.
- 2021 Artist in Residence: Beth J. has been in contact with Sandy Melroy, a silk painter. Their idea is to recreate the Red Raider in a mural for the school as well as have each student create a mini piece. She will work with the staff and students for a total of 3 weeks in April 2021. The first week will focus on the history and science of silk painting and brainstorm sketches. Weeks 2 and 3 will have the students focus on painting the mural and creating their mini piece. A photo book will also be created. The cost will be approximately \$4500.
- Family Fun Night: Emily is working with teachers on getting some new ideas for basket raffles. Hilary already sent out silent auction donation requests and items are steadily coming in. Hilary suggested making a catalog of all the items (auctions & raffles) to send home prior to FFN. Amy G. suggested having it be digital and offered assistance to help make it. Jess B. will again head up games and will send an email regarding her plans.
- Book Fair: Scholastic put Glenbrook on a waitlist for a book fair and has had poor customer service recently so Amy G. decided to bring Follett in for spring conferences. We currently have \$7100 in the Scholastic account. Amy will email staff about ordering needed items from the catalog. Tracy W. suggested a book vending machine. Kylie will ask Kurtis to talk to Bay Tek to see if they could repurpose an unused vending machine or do something similar.

- Tech Night: March 19th 5-6:30pm. 4th and 5th graders will showcase various technology being used in the school. There will be a Digital Breakout and multiple presentations. Attendees will receive a stamp on their “passports” for every session they attend. They will then be entered in a drawing for 2 door prizes: an Ozobot and a Merge Cube.
- Movie Night: Jessica will continue working with Kurtis on the location of the movie, which foods will be provided, and the movie selection.
- Art to Remember fundraiser: The profits from the fundraiser have been slowly declining, but possibly because people are ordering off Artsonia. Due to the amount of work involved in Art to Remember, we see no reason why the art program can't keep all the funds raised. Beth has been contemplating no longer doing Art to Remember and focusing solely on Artsonia since it's a fundraiser that can bring in money all year. A letter to families can be sent out notifying them of the change and reminding them when there are sales.

We hope to see you at the next PTO meeting on March 3rd at 6:30p in the library!
