

Pulaski Community School District

K-5 Intra-District Elementary Transfer Application

School Year: _____

School attendance areas are designed for every residence located within the District's boundaries. Students are assigned to schools based on the attendance area in which their parent(s) and/or legal guardian resides. All our schools provide equal educational opportunities for students in the communities they serve.

The District acknowledges that unique circumstances may at times result in a request from a parent or guardian that a child be considered for enrollment in a school outside of their designated attendance area. The appropriateness of program and review of educational and behavioral records may be considered in rendering a decision regarding a request for a change in attendance. All transfers will be subject to any applicable enrollment caps and availability of space and resources at the school.

Students who have moved out of a school's attendance area during the school year and wish to continue to attend their current school for the remainder of the school year should fill out the "Family Move Notification Form" within two weeks of their move and apply for an intra-district elementary transfer during the application window for the following school year.

Requests for elementary school transfers within the Pulaski Community School District are accepted beginning February 1 for the upcoming school year. Submit requests to Dana Thibodeau at the District Office, 143 West Green Bay St, PO Box 36, Pulaski, WI 54162. Contact the Superintendent's office at 920-822-6001 if you have any questions.
