

# 2020 Virtual Summer School Classes

Term 2 - July 6-17

Term 3 - July 20-31

## **3D Printing & Design**

Mike Schmidt

When: Term 2 & Term 3

Grades: 7-9

Class Limit: 12

Cost \$15

You will make 3 Dimensional Objects that will be printed for you and delivered to the PACE Office for pick-up. Through group and individual instruction, you'll learn how to use TinkerCAD to design and model different objects. You'll even have the chance to find pre-created items on popular repositories such as Thingiverse. Learn what's happening in the world of 3D printing and even explore possible future careers. STEM Ready

## **A History of Protest Music**

Corinne Galligan

When: Term 3

Grades: 9-12

Class Limit: None

Cost \$0

Explore the ways throughout history that music has been used as a means to advocate for change.

## **Adventures Around the World**

Trisha Nguyen

When: Term 2

Grades: 2-6

Class Limit: None

Cost \$0

Explore places around the globe! You will be "taken" to places like - the White House's secret rooms in Washington DC, the iconic Eiffel Tower in Paris, a chocolate factory in Hershey, Pennsylvania, a crayon factory, outer space, and more! And don't worry, you'll still be home in time for dinner!

## **All About Sharks**

Lisa Berzowski

When: Terms 2 & 3

Grades: 1-3

Class Limit: None

Cost \$0

Come discover the secret world of sharks. Through reading, math and science we will engage in a 10 day discovery of sharks. Discover various strange facts about sharks such as: why then need to be in continuous motion or why they would sink if they stopped swimming.....

## **American Sign Language**

Nicole Garbrecht & Ashley Broeske

When: Terms 2 & 3

Grades: 3-6 & 7-9

Class Limit: None

Cost \$0

Have you ever wanted to talk without speaking? This is a beginner class for American Sign Language. In this class, we will learn some basics of American Sign Language, play games

## **Amazing Ocean Life**

Beth Dziekan

When: Terms 2 & 3

Grades: 1-3

Class Limit: None

Cost \$6

Dive into this underwater adventure class and we'll explore the fascinating animal life of the vast undersea world with books and videos. We'll learn about different creatures along the way and make exciting crafts as we go!

### **An Introductory History of Protest Music**

Corinne Galligan

When: Term 3

Grades: 7-8

Class Limit: None

Cost \$0

Explore the ways throughout history that music has been used as a means to advocate for change.

### **Around the World in 10 Days**

Caitlyn Scanlan

When: Term 2 & Term 3

Grades: 3-5

Class Limit: 25

Cost \$10

Travel the world in just 10 days! Virtually explore the top of Mount Everest, swim in the Dead Sea, practice Yoga, make delicious food, and more. Fly to a new country every day and learn about all of the amazing cultures surrounding us!

### **Beatin' Boredom**

Sandy Schmidt

When: Terms 2 & 3

Grades: 1-6

Class Limit: None

Cost \$0

Staying at home is great but can soon get you stuck in a rut. With daily challenges like scavenger hunts, lego builds, physical challenges, games, and more, students will have something to keep them moving and engaged this summer.

### **Books Brought to Life**

Chelsea Curley

When: Terms 2 & 3

Grades: 1-3

Class Limit: None

Cost \$0

Students will listen to read alouds of different books and then be able to reflect on stories like *You Give a Mouse a Cookie*, *Knuffle Bunny*, *Dr. Seuss*, *Click*, *Clack Moo*, and *the Narwhal* book series, by doing different activities and crafts related to the stories we read!

### **Boys Basketball - Raider Scoring**

Alex Stecker & Andy Wright

When: Term 2

Grades: 1-3, 4-6 & 7-9

Class Limit: None

Cost \$0

Summer is a great time to enhance your skills in any sport. This class focuses on shooting and finishing in basketball. Students will have a chance to follow a series of videos (beginner - advanced) in order to take their game to the next level!

### **Choose Your Own Adventure**

Caitlyn Scanlan When:

Terms 2 & 3

Grades: 4-6

Class Limit: None

Cost \$0

Make your own choices while reading Choose Your Own Adventure books and see how your adventure plays out! After, learn how to make your own Choose Your Own Adventure and have fun sharing stories with others! Students will have the chance to listen to a read-aloud each day and decide which path to take.

### **Clay Creations at Home**

Beth Jaime When:

Terms 2 & 3

Grades: 1-6

Class Limit: 25

Cost \$10

Yes you can create clay projects at home! Kid-friendly recipes for making clay at home that you can bake in your own oven. Fee will cover the expenses of the ingredients of the clay.

### **Coding**

Geraldo Jaime

When: Terms 2 & 3

Grades: 1-6

Class Limit: None

Cost \$0

Coding online course using code.org where I introduce and support lessons. Then, coders learn at their own pace.

**Crafts Galore!**

Caitlyn Scanlan

When: Terms 2 & 3

Grades: 3-5

Class Limit: 25

Cost \$15

Do you have random objects lying around your house? Turn it into art! Throughout Crafts Galore! use string to make string art, paint rocks to turn into cute animals or flowers, make friendship bracelets, and more.

**Creating with Stop Motion & iMovie**

Lindsey Przybylski

When: Term 3

Grades: 3-9

Class Limit: None

Cost \$0

Students will learn how to create by using the apps stop motion and iMovie. Get ready to get creative and create fun video stories.

**Dance It Up!**

Sara Hoffmann

When: Term 2

Grades: 5-10

Class Limit: None

Cost \$0

Love to dance? This will be a great class to learn basic dance moves, choreography, and you'll get to learn 2 different dances that you can perform for your family and friends. You'll be part of an amazing virtual dance team that explores formations, kick lines, leaps and turns. No prior dance experience needed.

**Digital Paint By Numbers**

Lynn Schaal

When: Terms 2 & 3

Grades: 1-3 & 4-8

Class Limit: None

Cost \$0

Coloring has never been so easy, all pictures are marked by numbers. Open your color by number digital book and rediscover the simple relaxation and joy of coloring. Paint and share your favorite coloring pages with friends and family, let everyone see your fantastic coloring pages!

**Dinosaur Discovery**

Krista Arellano

When: Terms 2 & 3

Grades: 1-3

Class Limit: None

Cost \$0

Are you interested in learning more about dinosaurs? Then this class is for you! Each day we will read and discuss a nonfiction book about dinosaurs! Then, we will work on a connected craft.

**Disney Days at Home**

Katie Gesell

When: Terms 2 & 3

Grades: 1-4

Class Limit: 25

Cost \$15

Do you love all things Disney? Then this is the class for you. Each day, we will explore a different Disney movie or Park. We will go on virtual rides, read books, sing songs, and do some craft activities. Basic craft supplies will be needed from home (crayons, markers, paint, etc). Additional craft supplies will be provided.

**Drawing & Painting Home: Basics**

Beth Jaime

When: Terms 2 & 3

Grades: 1-3

Class Limit: None

Cost \$5

Do you love ART? Would you like to learn some new drawing and coloring techniques? Each day will be a new theme for the day such as Superhero Day, Favorite Animal, Recycle Art, Favorite Cartoon Character, and more! You will even be able to make special requests for the theme of the day. You will have the option to create your own drawings or be able to go LIVE with the instructor to participate in guided drawings. This class is perfect for anyone who loves ART and loves to DRAW!

### **Drawing & Painting Home: Advanced**

Beth Jaime

When: Terms 2 & 3

Grades: 4-6

Class Limit: None

Cost \$5

Do you love ART? Would you like to learn some new drawing and coloring techniques? Each day will be a new theme for the day such as Superhero Day, Favorite Animal, Recycle Art, Favorite Cartoon Character, and more! You will even be able to make special requests for the theme of the day. You will have the option to create your own drawings or be able to go LIVE with the instructor to participate in guided drawings. This class is perfect for anyone who loves ART and loves to DRAW! Fee is for art supplies like oil pastels, watercolor paint, brush, and paper.

### **Every Body's Yoga**

Chelsea Curley

When: Terms 2 & 3

Grades: 2-5

Class Limit: None

Cost \$0

Improve strength, flexibility, and coordination. Children will learn how to focus and center themselves with various breathing and visualization techniques. They will also learn self-respect with the practice of fun and challenging poses, lots of yoga games, breathing and basic anatomy.

### **Everything Ballet!**

Kassie Laylan

When: Term 2

Grades: 1-6

Class Limit: None

Cost \$0

Take ballet virtually this summer! Learn (or review for some) a classical dance form demanding grace and precision, and employing formalized steps and gestures set in intricate, flowing patterns to create expression through movement. Students will learn structured movement regarding the precision of the arms, feet, and body. Ballet is a strict art form that requires concentration and dedication. This course focuses on learning more about ballet moves, positions, poses, technique, and dance terminology. Together we will practice the foundational skills of a ballerina and build upon technique, learn material, focus your ability to grow as a stylized, graceful dancer, and stretch and strengthen your body through practice. Dance and have fun right from home!

### **Everything Contemporary & Lyrical**

Kassie Laylan

When: Term 3

Grades: 1-6

Class Limit: None

Cost \$0

Take contemporary/lyrical dance virtually this summer! Learn (or review for some) a type of dance that is a mix between ballet and jazz dance. This style is a combination of the technique and movement found in the more "traditional" styles but move geared toward the individual dancer. This type of dance is known to be performed from the heart with much self-expression and individuality involved. Students will learn to tell a story with only using their movement and their feelings. This course focuses on the learned skills from a ballet and jazz background and combining it to broaden the individual's performance level. Together we will practice the technique, material, self-expression of contemporary/lyrical dance while still focusing on stretching and strengthening your body through practice. Dance and have fun right from home!

### **Everything Hip Hop & Modern**

Kassie Laylan

When: Term 3

Grades: 1-6

Class Limit: None

Cost \$0

Take hip hop and modern dance virtually this summer! Learn (or review for some) two completely different styles of dance. These styles may be different, but they are actually based off of the same movement. Where hip hop is upbeat and fun, modern is the opposite but still uses the same moves. The movement used is the same with both of these styles, it is how you perform them that makes them different. There are times to go crazy, to show off, to jump around, and you'll find times where we make a quick switch and find the calm inside us by acting out the different movements of animals, objects, and more. Together we will practice the wide-range of technique, tricks, and also stretch and strengthen your body, but we will also have many opportunities to free dance and find your own interpretations of movements. Dance and have fun right from home!

### **Everything Jazz!**

Kassie Laylan

When: Term 2

Grades: 1-6

Class Limit: None

Cost \$0

Take jazz virtually this summer! Learn (or review for some) a form that showcases a dancer's originality. Students will learn jazz dance styles using full body movements as self expression. Jazz dance is not as strict as ballet but still requires the personal dedication to adapt the classical dance form to a more modern one. This course focuses on learning more about jazz moves, positions, poses, technique, and tricks. Together we will practice the skills of a jazz dancer and build upon technique, learn material, focus on the art and ability of self-expression, and stretch and strengthen your body through practice. Dance and have fun right from home!

### **Everything Musical Theater**

Kassiy Laylan & Chelsea Curley

When: Term 3

Grades: 1-6

Class Limit: None

Cost \$0

Do you like singing, dancing, and acting? Do you like performing and being on a stage? Then this course is for you! Learn the "ins and outs" of an actor/actress on Broadway as we explore the different and popular musicals that have made history. Students will learn vocal tips for singing, learning, and performing the songs from these popular musicals. They will also learn the training, technique, and choreography to some of Broadway's most loved musicals. Students will combine their singing, dancing, and acting skills to follow along and perform numbers to a handful of Broadway shows right from the comfort of home. Have fun and perform with us this summer!

### **Everything Tap!**

Kassie Laylan

When: Term 2

Grades: 1-6

Class Limit: None

Cost \$0

Take tap virtually this summer! Learn (or review for some) a type of dance characterized by using the sounds of tap shoes striking the floor as a form of percussion. The sound is made by shoes that have a metal "tap" on the heel and toe (not required, just a lot more fun to have the sounds!). Students will learn tap dances using not only their feet but whole full body movements as well. Tap dance requires patience and the ability to use improvisational skill and syncopation. This course focuses on learning more about tap moves, positions, technique, and tricks. Together we will practice the skills of a tap dancer which combines the sounds of the music you hear and the sounds made from the body. Students will build upon technique, learn material, practice a series of basic steps that branch off to become more challenging, and learn the art of specific listening to produce a sound of rhythmic steps. Dance and have fun right from home!

### **Farm Animal Fun**

Jennifer Heck

When: Term 2

Grades: 1-5

Class Limit: None

Cost \$0

Learn about farm animals and how to care for them.

### **Game Makers Club**

Brooke Sulzmann

When: Terms 2 & 3

Grades: 2-5

Class Limit: None

Cost \$3

Love creating your own games? In Game Maker's Club, students will be creating their own board games from scratch that they can share with their family. Students need Markers, crayons and a ruler.

**Girls Basketball**

Alex Stecker & Andy Wright

When: Term 3

Grades: 1-3, 4-6 & 7-9

Class Limit: None

Cost \$0

Summer is a great time to enhance your skills in any sport. This class focuses on ball-handling, shooting, and finishing drills related to basketball. Students will have a chance to follow a series of videos (beginner - advanced) in order to take their game to the next level!

**I Dream of Disneyland**

Nicole Garbrecht & Ashley Broeske

When: Terms 2 & 3

Grades: 1-2 & 3-5

Class Limit: None

Cost \$0

Let's go on an Adventure as we visit each of our favorite Disney characters! We'll get crafty like Cinderella, binge watch like a Beast, and have tons of fun like Frozen! Don't be a Sleeping Beauty and miss this exciting class!

**I'm a PBS Kid**

Trisha Nguyen

When: Term 2

Grades: 1-5

Class Limit: None

Cost \$4

Have fun with some of your favorite PBS Kids shows. Arthur! Odd Squad! Nature Cat! Wild Kratts! Splash and Bubbles! We will explore these fun and educational shows that we all love! We will dive into 1 engaging PBS Kids show a day by watching 1 episode and then exploring it further with games, activities, and crafts.

**Invisible Forces**

Brooke Sulzmann

When: Terms 2 & 3

Grades: 3-5

Class Limit: None

Cost \$2

This fun hands on class will give your child an understanding of invisible pushes and pulls that operate in the world around them. They will realize that forces will let them do surprising things from building a sturdy bridge from paper to using the pull of a rubber band to send cardboard "hopper" flying. We will explore the use of magnets through hands on activities that focus on engineering, investigation and discover.

**iPad & iPhone Photography - Advanced**

Lynn Schaal

When: Terms 2 & 3

Grades: 4-6

Class Limit: None

Cost \$0

Using the Camera app for iPhone and iPad, you know you can take photos, but do you know that you can take high dynamic photos and apply many different applications to your pictures. You can turn any photo into a work of art in just a few taps. All that, and more, with just a few taps. Join us to learn how to take a variety of photos and put them together in a digital scrapbook.

**iPad Movie Magic**

Sandy Schmidt

When: Term 2

Grades: 2-6

Class Limit: 25

Cost \$2

Students will learn the ins and outs of using the iPad to develop their own movies. With Stop Motion, iMovie, Clips and Green Screen students will get creative and have some fun producing and sharing their own magical movie creations.

**Kick-Off Summer with Math**

Ted Sarosiek

When: Terms 2 & 3

Grades: 7-12

Class Limit: None

Cost \$0

This class is by invitation only, please only sign-up if you've been contacted by one of your teachers. Looking for ways to make sure you do not forget everything you learned this school year in math? This course will utilize the app Dreambox where you can pick out different math games to work on the skills you want or the teacher can give some games to work the skills you may be struggling with. Your teacher will monitor your progress and provide individual lessons to support your learning. This class will involve working daily on the Dreambox app, as well as weekly Google Meet Check-ins with the teacher.

### **Kick-Off Summer with Reading**

Ted Sarosiek

When: Terms 2 & 3

Grades: 7-12

Class Limit: None

Cost \$0 This class is by invitation only, please only sign-up if you've been contacted by one of your teachers. Looking for ways to make sure you do not forget everything you learned this school year in reading? This course will utilize the app ReadingPlus where you can work on different skills like vocabulary and comprehension so that you are ready for next year. Your teacher will monitor your progress and provide individual lessons to support your learning. This class will involve working daily on the Reading Plus app, as well as weekly Google Meet Check-ins with the teacher.

### **Lego Bricks 4 Kids**

Chelsea Curley

When: Terms 2 & 3

Grades: 1-6

Class Limit: None

Cost \$0

Students will have to use their creativity and architecture skills to build different structures out of whatever Legos they have available at home. Students will need to solve my different changes like building bridges, a marble maze, and building a scene from your favorite book or movie!

### **Let's Get Loopy: Learning Cursive From Home**

Linda Gantz

When: Terms 2 & 3

Grades: 4-6

Class Limit: 25

Cost \$2

This class is for anyone who would love an introduction to cursive writing. We will explore all of the upper/lower case letters, learn to write some words/phrases/sentences and our first and last names. We will utilize Seesaw tools to practice writing and/or paper pencil to showcase progress.

### **Let's Go Camping**

Lisa Berzowski

When: Terms 2 & 3

Grades: 1-3

Class Limit: None

Cost \$0

10 days of learning through reading, math and science with a camping theme. As a kid setting up a tent in the backyard to camp was always exciting. Let's take a backyard camping adventure this summer to discover our local outdoors.

### **LitCamp**

When: Terms 2 & 3 (4 weeks)

Grades: 1-3, 4-6 & 7-9

Class Limit: None

Cost \$0

This class is open to all students to continue to read, write, and engage in fun learning activities over the summer. Students in this class will be given seven books to read and discuss over this four-week course. They will also get a LitCamp Journal, as well as access to thousands of digital scholastic books. There will be short daily Reading/Writing videos, Seesaw(1-6) or CANVAS (7-9) response activities, and opportunities for Google Meetings with the teacher to support continued learning and growth in reading and writing over the summer. There will be multiple options for Google Meeting Times. We realize this is a 4-week course and may conflict with family plans, please still sign-up your child, even if they will miss a few days. You can also sign-up for both LitCamp and MathCamp.

### **Math Camp**

When: Terms 2 & 3 (4 weeks)

Grades: 1-3, 4-6 & 7-9

Class Limit: None

Cost \$0

This class is intended for students to continue learning math over the summer and be engaged in fun learning activities related to Stepping Stones math (K-5) and CPM (6-9). There will be short daily learning videos and Seesaw (K-5) or CANVAS (6-9) response activities, as well as opportunities for Google Meetings with the teacher to support and continue learning and growing in math over summers. There will multiple options for Google Meeting Times between 8am-12. The teacher will contact you to set-up times that work best for your child.

**Minecraft Realms**

Mike Schmidt

When: Terms 2 & 3

Grades: 4-8

Class Limit: 18

Cost \$0

Are you missing your Minecraft buddies? Minecraft is more fun with others. In this class, we will be playing Minecraft in a Realm! Realms allow for up to 10 people to play in a virtual world together. We will be using Google Meet to chat remotely and playing together in the Minecraft world. Capture the flag, Hunger Games, and Checkers are some ideas, but you are welcome to bring your own. This is sure to be a lot of fun!

**Music Exploration**

Farin Ludtke

When: Terms 2 & 3

Grades: 4-6

Class Limit: None

Cost \$0

Students will participate in different music games, listening activities, singing, YouTube videos, Just Dances, rhythm activities, composing, and much more!

**Music of the Sea**

Corinne Galligan

When: Term 2

Grades: 3-6 & 7-12

Class Limit: None

Cost \$0

Learn how 19th-century sailors used music for work and play aboard square-rigged ships! We'll explore songs, pictures, and videos of demonstrations at Mystic Seaport Museum. This class is a mixture of music and social studies, and we'll be using our communication arts (aka composition and improvisation) skills to create our own chantey verses.

**Mysteries of the Sky**

Brooke Sulzmann

When: Terms 2 & 3

Grades: 3-5

Class Limit: None

Cost \$2

Every wonder about the sky? We will solve the many mysteries in the sky from weather to space through hands on experiments involving engineering, art, math, and lots of science.

**Officiating Baseball**

Jay Robaidek

Terms 2 & 3

Grades: 7-12

Class Limit: None

Cost \$4

Learn rules and regulations of baseball and how to get started officiating games.

**Officiating Basketball**

Jay Robaidek

Terms 2 & 3

Grades: 7-12

Class Limit: None

Cost \$4

Learn rules and regulations of basketball and how to get started officiating games.

**Officiating Football**

Terms 2 & 3

Jay Robaidek

Grades: 7-12

Class Limit: None

Cost \$4

Learn rules and regulations of football and how to get started officiating games.

**Painting Happy Trees**

Caitlyn Scanlan

When: Terms 2 & 3

Grades: 7-9

Class Limit: 25

Cost \$15

Learn to create beautiful paintings through this course as you follow along with tutorial videos. Use new painting techniques and tools to achieve a masterpiece. Students will have the chance to go LIVE to ask for help on any of the painting tutorials as well as share their artwork.

**Park Explorers**

Scott Stromberger

When: Term 3

Grades: 1-3 & 4-6

Class Limit: None

Cost \$0

Take a virtual tour of local parks and natural areas close to you with Mr. Stromberger as your guide. We will explore a new park everyday focusing on the plants and animals who live there. Games and outdoor activities you can play at home are also included in our adventure.

### **Pattern Blocks**

Lynn Schaal

When: Terms 2 & 3

Grades: 1-5

Class Limit: None

Cost \$0 Use

Pattern Shapes to explore geometry and fractions, create designs, or fill in outlines. Students will explore geometric relationships, think about angles, investigate symmetry, and compose and decompose larger shapes. These explorations naturally lead to thinking about fractions as parts of a whole.

### **Photoshop Fun**

Lindsey Przybylski

When: Term 3

Grades: 3-9

Class Limit: None

Cost \$0

Students will learn the ins and outs of the Photoshop apps! Students will learn how to take a quality photograph. Students will learn how to edit and combine photographs using the Photoshop apps.

### **Read & Explore**

Dana Jankovich

When: Terms 2 & 3

Grades: 1-4

Class Limit: 25

Cost \$

Students will be able to listen to read alouds, have discussions with peers, create their own books to read, as well as complete activities about books!

### **Rockin' Paint**

Sandy Schmidt

When: Terms 2 & 3

Grades: 1-6 & 7-9

Class Limit: 25

Cost \$15

This class is for all who love art, crafts, or painting. Each day students will learn new styles and techniques to create the coolest rock designs. Rockin' Paint is all about painting rocks and at the end of 2 weeks you will have up to 10 different rock creations that can be given as a gift to someone special or used to create a collection of your own. Cost includes set of paint markers and some acrylic paints. Sign up now to check out all the fun!

### **Rockin' Roblox**

Mike Schmidt

When: Terms 2 & 3

Grades: 3-6

Class Limit: 25

Cost \$0

Using Google Meet to begin our day, we'll explore the world of Roblox and experience interactive virtual play through problem solving and exploration. We will discuss online play, safety, and proper virtual behavior. Students will need to have access to a Roblox account and be able and willing to share their username to be part of the class. More information will be given on the first day(s) of class.

### **Running Raiders Summer Running Club**

Kim Noe

When: Terms 2 & 3

Grades: 7-12

Class Limit: None

Cost \$0

This club is for any student who'd like to gain endurance, strength, and speed with a focus on distance running and recovery.

### **Scavenger Hunts**

Ashley Broeske & Nicole Garbrecht

Grades: 1-3 & 4-6

Class Limit: 25

Cost \$0

Stay active while staying at home with these fun scavenger hunts around your house and outdoors!

### **Sew Easy - Hand Sewing**

Kristin Whitehorse

When: Terms 2 & 3

Grades: 2-5

Class Limit: 25

Cost \$16

Learn how to hand sew with these easy projects! Learn how to make pillows, keychains, tie blankets, book marks, small stuffies and several more. All project supplies and video tutorials will be provided. There will even be a pattern on how to make your own hand sewn masks.

### **Science Magic**

Krista Arellano

When: Terms 2 & 3

Grades: 1-3

Cost \$0

Perform science experiments to discover how to make raisins dance, a paperclip float, and how and why plants grow the way they do! Science stories, videos, and experiments will keep the fun going this summer!

### **Sidewalk Chalk Fun!**

Emily Evenson & Bailey Fenendael

When: Term 2

Grades: 1-5

Class Limit: None

Cost \$5

Have fun creating outside with sidewalk chalk! Each day will feature a new sidewalk chalk activity, how to play or draw it the activity for the day, plus learning about different artists who used/inspired by chalk!

### **Solar System Exploration**

Amanda Pevonka

When: Terms 2 & 3

Grades: 3-5

Class Limit: 25

Cost \$0

Do you wonder about the Solar System? Do you want to learn all about the different planets. This class will allow students to learn about the different planets, constellations, sun and the moon. We will watch videos and have discussions about what we will learn.

### **Spanish Conversation & Cultural Exploration**

Geraldo Jaime

When: Terms 2 & 3

Grades: 4-6

Class Limit: 25

Cost \$0

Upper elementary and middle school Spanish students will practice basic Spanish conversation, Spanish literacy and explore foods, and high interest travel sites, like cenotes (sinkholes), and/or UNESCO heritage travel sites. All travel and discussion will be maintained in Spanish by the teacher. Students will be encouraged to converse as they are comfortable. Upper elementary reading and Spanish 1 middle school oral reading levels in Spanish by the teacher. Includes English support according to the student to ease anxiety and maximize language practice.

### **Spanish Songs & Early Literacy**

Geraldo Jaime

When: Terms 2 & 3

Grades: 1-4

Class Limit: 25

Cost \$0

Young Spanish learners will listen to and practice new and old songs as well as practice listening to Spanish in a student friendly format.

### **Sports Nut Trivia**

Ryan Napralla

When: Grades: 7-12

Class Limit: 25

Cost \$0

Test your knowledge of all things sports and enjoy fun competition with others. Students get to choose the topics and will compete using Kahoot and Quizizz interactive games. Compete for potentially fabulous prizes!

### **Sticker Creator**

Emily Evenson & Bailey Fenendael

When: Term 2 Grades: 4-6 & 7-12

Class Limit: None

Cost \$10

Each day the students will draw a creation. At the end of the term their creations will come to life as they get transformed into stickers that the students can use to decorate items in their life!

### **Summer Book Club**

Sarah Matles & Ashley Giguere

When: Terms 2 & 3

Grades: 7-8

Class Limit: None

Cost \$0

If you love read aloud, join the teaching duo, Miss Matles and Ms. Giguere, for adventures into the world of different characters from popular fiction novels. We will meet for live read aloud or watch a video of read aloud on your own. Discuss with others and potentially compare with it's paired featured film!

### **Summer Science Camp**

Lisa Berzowski

When: Terms 2 & 3

Grades: 1-3

Class Limit: None

Cost \$0

From dancing rice to disappearing egg shells to turning milk into plastic come spend some time exploring these scientific wonders. For 10 days we will do one science experiment per day and do some writing about it and sharing our successes and failures along the way.

### **Summer Success LIVE**

Sarah Morgan & Becky Ruechel

When: Term 2

Grades: 7-12

Class Limit: 12

Cost \$15

This class will focus on communication, social and recreational with some academic skills. We will be engaged in learning together virtually through simple lifeskills projects such as recipes, crafts and some gardening. We will also do daily workouts to stay healthy and fit. The format will be via Google Meets both in large and smaller group set ups. Projects will also be accessible through video formats. Our teachers will set up times based on groupings.

### **Volleyball**

Dan Emmerich & Brianna Karcz

When: Term 3

Grades: 7-12

Class Limit: None

Cost \$0

Playing volleyball this fall?! Prepare for the upcoming season with skills you can practice at home, conditioning exercises to get you in tip-top shape for season, and learn rotations!

### **Water Water Everywhere**

Katie Gesell

When: Term 2

Grades: 1-3

Class Limit: 25

Cost \$15

Water+Kids= Fun and Learning! Explore STEM experiments, make art work, and have fun all while getting wet in this class. A new activity involving water will be provided every day. We will provide the fun... you provide the water!

### **Weather Gone Viral**

Jennifer Heck

When: Term 2

Grades: 1-5

Class Limit: None

Cost \$0

Learn about the weather and watch cool viral videos about weather, storms, etc.

### **Who Did It Better...The Book or the Movie?**

Katie Gesell

When: Term 3

Grades: 4-6

Class Limit: 25

Cost \$4

Students will choose from three popular chapter books that have been made into movies. We will read it as a group (some read to self, some read aloud) and discuss as we go. Then we will wrap up the session by watching the movie at home and discussing what we liked better. All movies to match the books are available for rental on Amazon Prime for under \$4. If you did this class term one, we will do a different book in term three.

### **Wild About Nature**

Amanda Pevonka

When: Terms 2 & 3

Grades: 1-6 & 7-9

Class Limit: None

Cost \$0

Learn all about the animals and plants around us. This class will teach you about the environments of different plants and animals, as well as how to conserve their homes. Videos will be provided to teach students about the different animals and then different projects will be created to show our understanding. Basic art supplies will be needed( Crayons, glue, scissors, paper)

### **World Explorers - New Countries!**

Krista Arellano

Grades: 1-3

Class Limit: None

Cost \$0

Perform science experiments to discover how to make raisins dance, a paperclip float, and how and why plants grow the way they do! Science stories, videos, and experiments will keep the fun going this summer!
