

It's time for VIRTUAL **Eighth Grade Individual Planning Conferences!** They will run from November through January.

These 45-minute meetings include the student, the parents/guardians, and a school counselor and will take place November through the end of January; the majority of the times available are during the school day. The IPC is unlike traditional conferences - the focus is on each student's personal and social growth, their educational and career development, and their high school planning process.

Individual Planning Conferences are specially designed conferences for parents/guardians to gain insight into their child's development. Participation in the conference allows students to develop a direction for the future. Our task is to determine how we can help them create and achieve goals for their future.

Parents/guardians are a key member of the conference team. Conferencing gives parents/guardians and students the opportunity to discuss talents, interests, academic performance, and future goals in a positive environment. Individual Planning Conferences are not intended for discussions of student behavior issues.

To sign up, go onto your Skyward Family Access at www.pulaskischools.org. Under your child's name, choose "Teacher Conference" and then "Wagner". The Skyward window will be open until **October 28th**, after that please contact Dawn VanSchyndel, scheduling secretary, at dmvanschyndel@pulaskischools.org or 920-822-6519.
