

County Speed Test Directions

- 1) Select exact address, partial address, or enter address if no service is available at your home.
- 2) Click Let's do it

Brown County Broadband Speed Test Initiative > Speed Test

Español

Welcome to the Brown County crowd-sourced broadband project.

From this web site we can collect data about your broadband speed and create a map for your community that will help your community in efforts to get grants and other support to improve broadband for your community. Select below the action you wish to take.

Please make sure that no one in your household is streaming videos or gaming while you take this test. If you are connected to **school or work**, please turn off your **VPN** during this test.

Unless you enter an address with no available service, **the address that you enter should be the address where you are right now.**

click on choice

- Enter my exact address
- Enter my partial address (if you are concerned about privacy, choose this)
- Enter an address with **NO AVAILABLE SERVICE**

Your contact email (optional)

Let's do it

We **do not** use tracking cookies.
We **do not** store your personal data or address.
