

PARENT COMPANY OF:

Temporary Assistant Line and Ground Technician

Nsight, parent company of Cellcom, Nsight Telservices, and Nsight Tower wants YOU to join our team!

Our family of companies provides complete telecommunications services, including wireless and fiber-based services to residential and business customers, along with tower erection and maintenance services in Wisconsin and Michigan's Upper Peninsula. Our commitment to customer service, local philanthropic efforts and green initiatives make us an employer of choice in the state of Wisconsin. We're looking for individuals who are driven, enthusiastic and care about our community. More importantly, we like to hire people looking to grow with an organization and those who are excited about the ever-changing telecommunications industry.

*The **Assistant Line and Ground Technician** assists with a number of duties related to the installation, operation and maintenance of outside facilities.*

Responsibilities & Duties:

1. Assists with placing direct buried cable and innerduct using plowing, trenching and digging equipment; maintains right of way and restores all disturbed surfaces.
2. Assists with installing cable within and maintains underground conduit system by pulling or blowing in based on engineering prints indicating how cable is to be placed.
3. Assists with locating underground facility with a locator such as customer owned power lines, LP gas lines and underground dog fence
4. Fill out paperwork to record inventory by tracking materials used on work orders and turning into appropriate individual as jobs are completed to ensure accurate inventory is kept; provides map updates by gathering points via GPS unit or map drawings to keep mapping system up to date.
5. Operates automotive and construction equipment, hand and power tools and ensures that tools and equipment are maintained in safe running order. Do daily inspections of equipment and vehicles to make sure they are in good working order and report any issues to manager.
6. Communicates with team lead whenever facilities are damaged. This can be caused by locates being off or missed. When this happens, required to take pictures of damage and provide detail on what happened so we can work with the owner of the facility to identify who was at fault for the damage.
7. Performs additional related duties as requested or required.

Requirements:

- Four-year high school education or equivalency.
- Experience in construction or operating machinery preferred.
