## **Lawn Care Technician**

Skinkis Lawn & Landscape is looking for a Lawn Care Technician Crew Member. Applicants should be a career minded individual who is self-motivated and can perform tasks without constant supervision. There will be room for growth at our company, if desired, to a Crew Leader within 1 to 2 years. Experience is not required. We are willing to train on the job.

**Employment type:** Full-Time

### **Duties and Requirements:**

- Operation of commercial mowers, line timers, pruning equipment
- Performing Spring and Fall Cleanups
- Snow Removal (shoveling, Snow blowing, and Plowing)
- Working in a team setting and without supervision
- Must have a valid Driver's License
- Overtime may be required at Company's Discretion (due to seasonal work, weather conditions, and deadlines)

**Annual Starting Yearly Salary Range:** \$28,000-\$35,000 (Optional Salary or Hourly Pay Based Position)

### **Benefits at Skinkis Lawn & Landscape:**

- Eligible for Retirement Plan and Company Roth Matching at 3% after New Employee Grace Period
- Health Benefit Stipend after New Employee Grace Period
- Phone reimbursement Stipend
- Working outdoors and on many different properties
- Uniform provided (Company T-shirts, long sleeves, and Sweatshirts)
- Company Christmas Party and outings
- Working for a smaller local company
  - Flexibility when need/approved work schedule
  - A friendly, inclusive, caring, and sense of ownership work culture without as much bureaucracy
  - Pride in working for a local company
  - The owner works hand in hand with you and makes decisions with you in mind and not always the bottom line.
