Summer School Teachers Need Your Help!

A few of our summer school teachers are asking for help gathering supplies for their classes.

Your help is greatly appreciated!

Stamps & US History

As a retired teacher and administrator, I have always wanted to share my interest in US and World stamps and the history behind the stamps with students. Over the past few years, I have been a substitute teacher for the Pulaski Community Schools.

I would like to invite individuals from the Pulaski Community to assist me in a summer program for students in grades 3-and up. The focus of this summer program is to allow students to experience history through stamp collecting. The classes will be scheduled during the weeks of July 5-16 th and the 19-30 th . Classes start at 9:30-11:30 AM and 11:30 to 1:30 PM.

To make this a successful, I invite citizens from the Pulaski Community to be involved to make this a successful experience for the children.

YOU can help by:

1. Volunteer your time to share your experiences and interests related to stamps and their history.
2. Assist students as they create their own stamp album.

To keep costs low so all students can experience this class, I would like to ask for donations.

1. Used or unused stamps (either separate or on envelopes). Trim about one inch around the used/canceled stamp.
2. Place stamps in an envelope with your name and phone number-for a future thank you!
3. Drop off or send stamps to the PACE Office at 132 Front Street, Pulaski, Wisconsin 54162

Attention: Summer Stamp Class

4. If you have any questions or want to volunteer in the class, please leave a message at 920-639-8709 and I will return your call.

Thank you,

Richard Krainz
