## MAPLE SPECIAL LUNCH UPDATE

Today your Maple student received a Special Lunch email addressed to their D30 email address. Please look at it with them if you have any questions about their Special Lunch order for 10/17 (Viccino's Pizza).

This email reminded them about the upcoming Maple Special Lunch, and asked them to look for their name on the "Special Lunch list." If their name was listed, they can expect to receive lunch on Wednesday, if their name was not listed, please send him/her with a sack lunch. We do not have extra lunches to purchase on Special Lunch days.

As a reminder, you can always refer to your Maple PTO Registration receipt to review your student's Special Lunch order. This email procedure will continue every month throughout the school year. Please let the PTO know if you have any questions. Thank you

## PINK IN P.E.

This October, the Maple School P.E./Wellness Department is proud to participate in National Breast Cancer Awareness Month. Breast cancer is the second most common kind of cancer in women. About 1 in 8 women born today in the United States will get breast cancer at some point. The good news is that many women can survive breast cancer if it's found and treated early.

In bringing awareness to National Breast Cancer Awareness Month, all P.E. students have the opportunity to wear a pink t-shirt in place of their P.E. uniform t-shirt for the entire month of October in P.E. School appropriate t-shirts only, all regular P.E. uniform attire and protocol will be followed on a daily basis. For more information, visit [Pink in P.E.](#) on the Maple P.E. Website or Scan the QR Code.

## NEW TRAFFIC SIGN WEST SIDE OF MAPLE

Please take notice of the traffic signs as you travel around Maple School. This STOP sign and NO RIGHT TURN sign are located at the crosswalk as you are facing north toward GBN. As you cross over the speed bump, you must stop to allow students to walk or bike safely to the opposite side of the walk. Should you have any questions, please contact the Maple office.

## SEVENTH GRADE SNOWFLAKE DAY

Snowflake is a yearly tradition for seventh grade students at Maple School. This year, Maple's Snowflake Program will be held during the day on Friday, December 7th, 2018. The Snowflake program aims to teach attendees important life skills, such as decision-making, problem solving, communication, and drug refusal techniques in fun and interactive ways. Maple's Snowflake event engages middle school students, high school students, and adults in order to create a fun and meaningful experience for all involved. Snowflake is founded on the belief that youth can make responsible decisions when provided with factual information and an opportunity to develop an understanding of one's self and motivations. Snowflake sponsors for this year are Lynn Reimer and Caitlin Phillips.

## AMERICAN MATHEMATICS CONTEST

The American Mathematics Contest (AMC 8) is a 25 question, 40-minute multiple-choice examination in middle school mathematics designed to promote the development and enhancement of problem-solving skills. The one-day contest will be after school on November 13th from 3:40 – 4:40 pm in the Maple LMC. Any questions regarding AMC 8 should be directed to Mrs. Arends at [sarends@distict30.org](mailto:sarends@distict30.org).

## 6th GRADE PARENT INFORMATION

The following is a link to a website created specifically to help you be more connected to what is happening with your sixth grader at Maple. While we are working to help your students advocate for themselves and learn how to manage their school work independently, we understand that they are still learning these skills and that parent guidance helps them to be successful. The website contains a link to each teacher's website, a calendar with important assessment dates and events for sixth graders, and our themes for Advisory for the school year. If you have any questions or concerns, particularly regarding this website, please contact the 6th Grade Team Leader, Betsy Safranek at [bsafranek@district30.org](mailto:bsafranek@district30.org). We hope you find this to be a helpful resource!

### MAPLE SCHOOL TEXT-A-TIP

Maple School will continue implementing Text-A-Tip this school year. With Text-A-Tip, students can send a text message to reach out for help for themselves or friends. The resource allows teens to find anonymous, immediate help if they or their friends are struggling with drug or alcohol abuse, depression, difficult family situations, bullying, or any of the many challenges they face today. The service is available 24/7, is completely anonymous, and is staffed with local counselors to support teenagers (and others) who have a concern or a crisis.
