(Proceeds given to Mrs. Janavicius)

### PTO's Contributions to Wescott Community

Through out the school year, PTO sponsored activities that provided educational experiences to the students and that brought the community closer. Below are a brief lists of activities from the school year:

- Speaker Series
- Cultural Arts Program and Assemblies
- Library subscriptions
- Teacher/staff hospitality
- Gifts to retiring teachers/staff

- Wescott Mingle Social Events

Once again, after all the operational expenses and programs, we are able to support Wescott school with a lump sum donation that will be used in areas (subject to change due to Covid-19 situation):

- School Sign
- Library

The PTO's Charitable Donations from the Helping Hands Committee included the following:

- Donated \$1,655 to Fear Not Nation for children fighting cancer.
- Donated used shoes and jackets to children through various collection drives throughout the year.

During special time like we are experiencing now, it makes more sense for a community to come together and to support each other. We hope that you will continue to support the PTO one way or another and Wescott PTO will continue working towards our missions to serve the community in the following years to come.
