

O. A. K. is a fundraiser to help a local Jamestown, ND family with the fees to be able to adopt a little boy who just turned 3 and has lived with them for the past 22 months. Due to the child not being a relative or in the Foster Care System, it will cost the family about \$8,000 or more to be able to complete the adoption. With this fundraiser, we are also wanting to bring awareness to the public about adoption and all the wonderful benefits of adopting.
