

TeleMedicine Now Available

A Fast and Easy Way to See a Doctor

The CDC is recommending video visits to help avoid exposure and reduce the risk of being exposed to germs. Medallus Clinic now offers TeleMedicine Services, which gives you access to providers via phone, tablet, laptop and PC!

When to use TeleMedicine:

- + Acid reflux
- + Allergies
- + Asthma
- + Bladder infection
- + Bronchitis
- + Cold
- + Flu
- + Infections
- + Nausea
- + Rashes
- + Sinus Conditions
- + Sore throat
- + Pink eye
- + Urinary tract infection
- + and more...

Our providers can diagnose acute non emergent medical conditions and prescribe medications only when clinically appropriate. Speak to our providers within minutes from anywhere.. home.. work.. or while traveling.

\$0 TeleMedicine Cost for Jamestown Public School Employees and Dependents Covered by the JPS Health Plan

All Insurance Accepted for other Employees*

The clinic will be paid for telehealth visits by insurance for urgent care visits, primary care office visits, diabetes education and nutrition counseling.

*Most North Dakota Insurance Companies no cost for TeleMedicine Visits
