

ALBION CENTRAL SCHOOL DISTRICT
Pre-Kindergarten Program -- Application for 2021-2022

The Albion Central School District will support a Pre-Kindergarten Program for students who will be four years of age on or before December 1, 2021. There will be a morning session and an afternoon session. The morning session runs from 9:00 – 11:30 a.m. The afternoon session begins at 1:00 – 3:30 p.m. Assignments to the morning and afternoon session will be decided on transportation routes (please complete the attached Transportation Form). Students will be transported to and from school on the school bus. Pre-Kindergarten follows the school district calendar.

There will be 80 Pre-Kindergarten seats available. Once the state budget is approved, selections will be made. **If you qualify for the free/reduced lunch program, please complete the attached lunch application.** Should the District receive more applications than seats available for Pre-Kindergarten, student names will be drawn randomly. Families will be notified by mail of their child's status for the Pre-Kindergarten program.
