Dear Pat,

On behalf of the Village Board, our administration and myself, I would like to congratulate you, the D90 elected officials along with the administration, on Lincoln Elementary School for being named a National Blue Ribbon School by the U.S. Department of Education.

The National Blue Ribbon School award affirms the hard work of students, educators, families, and communities in creating safe and welcoming schools where students master challenging content.

This award is a significant honor for our community. Our school systems are the backbone of River Forest and are a main reason why people choose to live and raise their families here. We thank you for making our community a better place to live!

The Board and I are excited that the Superintendent and Principal Casey Godfrey will be representing Lincoln Elementary on November 10th at the annual Awards ceremony in Washington, DC. We look forward to celebrating with you as you bring home the award plaque and blue flag signifying your exemplary status.

Again, congratulations. We greatly value all the hard work and time you, the Board and the administration have spent making our community a national symbol of excellence.

Sincerely,

Catherine Adduci
Village President
