River Forest District 90 Inclusion Preschool Mission and Vision Statement

Our Mission

To instill a love of life long learning through intentional developmentally appropriate play

Our Vision

A thriving and inclusive learning community that will enable our youngest learners to become:

- Contributing and valued members of their preschool and larger community
- Increasingly independent through joyful play and exploration of their strengths and interests
- Engaged through various opportunities designed to meet their unique needs
- Empowered and confident through an environment that provides access to all
- Stronger in their social and emotional competencies while embracing differences in others and developing their own uniqueness
