 7560 Oak Ave
 River Forest, Il 60305

Online registration: bit.ly/d90SM2017

Scheduling is on a first come-first serve basis. Please make all checks payable to School District #90.

Summer Music

Course Descriptions

Summer Music is open to current band and orchestra students. It is offered at the same time as regular summer school classes. Students may choose to “pull-out” of summer classes, just as they do during the school year. Lesson times are also available before and after summer school. Summer Music is not a requirement, but many students find that their summer schedule allows them to concentrate more on their instrument. Oftentimes students will be able to complete a full certificate level or more during Summer Music. Students who attend more than once a week tend to make the most progress.

Band/Orchestra Certificate Lesson (for students on Certificate Levels 1-6)

- Semi-private lessons (maximum class 3 students)
- Students will work primarily on certificate goal advancement. Completed certificates will count towards band/orchestra placement for the following school year.

ILMEA Festival Audition Preparation

- The ILMEA Festival is a prestigious All-State event which attracts the top middle school musicians in Illinois.
- Selection to the ILMEA Festival is by audition only. Interested students receive audition music in May. The auditions take place in October. Although the auditions are demanding, we annually have very good representation from Roosevelt.
- Selected students participate in a 1-day Saturday festival, led by highly regarded composers/educators. At the end of the day, the students perform a concert.
- ILMEA Audition Preparation is recommended for students who are ready for a challenging musical experience. Typically, the students audition on and perform high school level music. **Only students who have completed Level 6 may register for this class.**

Jazz/Rock Improvisation

- In this class, students will learn to improvise in Jazz and Rock styles.
- **This class is open to any student who has completed Level 4.** All Band/Orchestra instruments are welcome.
- This class is also open to students who play drums, bass, guitar or piano. Students who play these instruments should have several years of experience and continue to take private lessons. Guitarists should be able to read standard music notation.

Advanced Concert Band/Senior Orchestra Lesson (completed Level 6)

- Advanced lessons for students entering or already in our top ensembles.
- Students will be working on audition materials for next school year and/or the Level 7 band certificate.
