***Note:** If you do not have a PowerSchool account, please refer to the [PowerSchool Parent Portal: New Account Instructions](#) document on the Student Registration page of the District90.org website.

The screenshot shows a web browser window with the address bar displaying "d90.powerschool.com". The page header includes the River Forest Public Schools logo and the "PowerSchool SIS" branding. The main content area is titled "Student and Parent Sign In" and features two tabs: "Sign In" (selected) and "Create Account". Below the tabs are two input fields: "Username" and "Password". A link for "Forgot Username or Password?" is located below the password field. A blue "Sign In" button is positioned at the bottom right of the form. At the very bottom of the page, there is a small copyright notice: "Copyright © 2005-2019 PowerSchool Group LLC and/or its affiliate(s). All rights reserved. All trademarks are either owned or licensed by PowerSchool Group LLC and/or its affiliates."

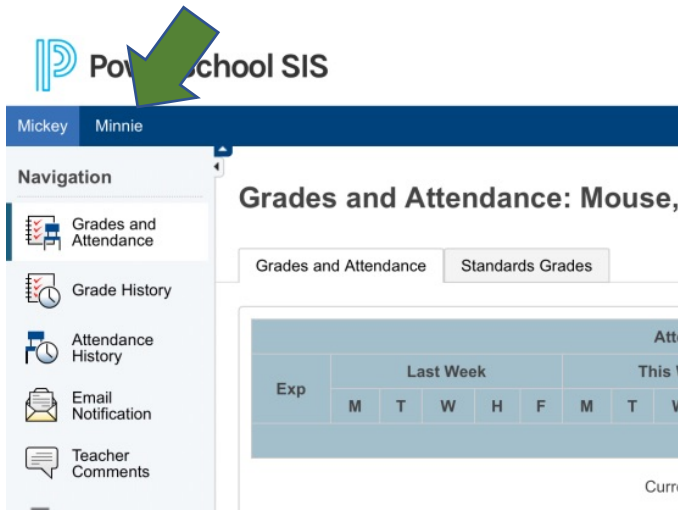

2. Type in your username and password.
***Note:** If you have forgotten your username or password, please click on the [Forgot Username or Password?](#) link.
3. Click the [Sign In](#) button.

This screenshot is identical to the previous one, but with the "Sign In" button highlighted by a green arrow pointing to it from the right. The "Username" field now contains the text "Wdisney" and the "Password" field is filled with a series of black dots, indicating it is masked. The rest of the page content remains the same.

4. Once logged in, you will see the Grades and Attendance page for your student(s).

6. To view attendance information for another student, click their name in the blue header bar across the top of the screen.

7. When finished, click the [Sign Out](#) button in the top right of the screen.
