**Essential Question Continued: What does the district data tell us? What does trend, cohort, subgroup, and comparative data tell us?**

Teams will continue with the third rotation.

Teams will identify key findings from reports:
- What does the data tell you?
- What is there to celebrate?
- What is there to consider for improvement?

Teams will share with one another their findings.

**Essential Question: What are district strengths, weaknesses, opportunities, and threats?**

Teams will conduct a SWOT analysis
- Strengths
- Weaknesses
- Opportunities
- Threats

Teams will share with one another their findings.

**Essential Question: What will our next meeting accomplish?**

Discuss role of team members in sharing the learning from the Data Retreat with constituent groups.
