PROOF OF RESIDENCY (Continuing Student)

Parents and/or guardians are required to submit proof of residency upon enrollment of their children and attest that they are residing within the boundaries of River Forest School District 90 at the time of initial enrollment. It is expected that you have maintained that residency in the District when your children are registered for classes in subsequent years. Each year, thereafter, you will be required to submit a tax bill if you are a homeowner, or a current lease if you rent.

The District reserves the right, on a case-by-case basis, to require parents and/or guardians of District 90 students to reaffirm their actual residency in light of information brought to the attention of the District that may call that residency into question, such as expired leases or sale of property. Renewed leases should be provided to the District Office.

New U.S. Department of Education Race and Ethnicity Data Standards

In fall 2007, the U.S. Department of Education issued new guidance on the collection and reporting of race and ethnicity data for public school students and staff. The guidance implements new federal race and ethnicity categories that were developed to obtain a more accurate picture of the nation's diversity. The new data collection process requires parents or guardians to answer a two-part question, indicating ethnicity first and then one or more of five races. If a student's parents or guardians decline to indicate race and/or ethnicity, observer identification by school district staff is required.

The new race and ethnicity data will be used in the same manner as previously collected data, e.g., in reporting and analyzing test results by race and ethnicity. The information will not be used to check immigration status, and the confidentiality of individual student information will be protected.

Thank you for your cooperation in providing the needed data on the form below.

DATA COLLECTION FORM

Student Name: _____

INSTRUCTIONS: This form is to be filled out by the student's parents or guardians, and both questions must be answered. Part A asks about the student's ethnicity and Part B asks about the student's race. If you decline to respond to either question, the school district is required to provide the missing information by observer identification.

Part A. Is this student Hispanic/Latino? (A person of Cuban, Mexican, Puerto Rican, South or Central American, or other Spanish culture or origin, regardless of race.) **Choose only one.**

- No, not Hispanic/Latino**
- Yes, Hispanic/Latino**

The question above is about ethnicity, not race. No matter which answer you selected, continue and respond to the question below by marking one or more boxes to indicate what you consider this student's race to be.

Part 8. What is the student's race? Choose one or more.

- American Indian or Alaska Native** (A person having origins in any of the original peoples of North and South America, including Central America, and who maintains tribal affiliation or community attachment)
- Asian** (A person having origins in any of the original peoples of the Far East, Southeast Asia, or the Indian subcontinent including, for example, Cambodia, China, India, Japan, Korea, Malaysia, Pakistan, the Philippine Islands, Thailand, and Vietnam)
- Black or African American** (A person having origins in any of the black racial groups of Africa)
- Native Hawaiian or Other Pacific Islander** (A person having origins in any of the original peoples of Hawaii, Guam, Samoa, or other Pacific Islands)
- White** (A person having origins in any of the original peoples of Europe, the Middle East, or North Africa)
