Dr. Matthew Meakin, Principal  
Littlestown Area Senior High School  
200 East Myrtle Street  
Littlestown, PA 17340

Dear Dr. Meakin,

The York Area Bowling Proprietors' Association would like to invite your school to participate in our 24th Annual Turnaround Achievement Awards. This program rewards young persons who have made significant turnarounds in one or more aspects of their lives, and provides a great deal of positive reinforcement.

We are inviting all high schools in **YAIAA** to participate. Should you decide to be a participant, we will contact you in the near future to review all details and provide your school with everything it needs to participate in the program. **There is absolutely no cost to your school or District; all costs associated with the program are underwritten by the York Area BPA, and associated sponsors.** There are also no strings attached to your participation. We view the program as a partnership between the bowling community of our area and the schools, and feel that it provides a win-win situation for both.

In the 23rd year of the program (2018), we presented Turnaround Achievement Awards to seventeen students. **In addition, 6 of these students received scholarships for \$1400.00 each.** We are now well over \$100,000 in scholarships awarded over the history of the program. The awards ceremony was attended by several school Principals and school administrators, as well as a guest speaker. We are hoping to have 100% participation by those schools eligible this year.

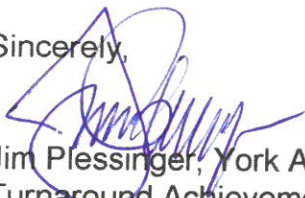

Should your school decide to participate, a Turnaround Achievement Award will be given to a student from your school that you or a selection committee will choose. This person, along with yourself and guests will be invited to an awards dinner and ceremony in

the late Spring of 2019. We also plan to award scholarships again this year, but final details have yet to be worked out.

**To indicate your intention to participate, you may fill out the attached form and email, mail or fax it to me.** If you have any questions, concerns, or ideas, please do not hesitate to contact me. If you would like a reference on the program, please contact Janet May, Principal at West York High School, or Mr. Adam Trone at Dallastown High School.

Thank you for your time and consideration. The York Area Bowling Proprietors' Association looks forward to working with you in the future.

Sincerely,
