

July 13, 2018

Dear Families;

As we eagerly await the beginning of a new school year, I wanted to introduce myself as well as inform you of upcoming events at Pickwick Early Childhood Center.

My name is Michaela O'Connell and I will be the Principal of Pickwick Early Childhood Center. I am very excited to start this adventure with you and your families. Early childhood education is extremely important to me and the individual growth of your child is my greatest priority.

In order to get a chance to meet with each of you, we are hosting a Family Orientation Night at Pickwick Early Childhood Center on August 16, 2018 from 5:30pm-6:30pm. Our crews are working feverishly to complete the new facility by the first day of school, therefore, an entire tour of the new building will not be possible on the night of our Family Orientation. However, we have developed a process for the first day of school to allow for you to have an excellent first experience in the building with your child.

On the first day of school only, August 23, 2018, classes will be split into morning and afternoon groups. This will allow for you to have a meal with your child, tour the new building, meet the new building team and help support your child on their first day of school by participating in activities. Splitting the classes will also make the first day less overwhelming for you and your child and provide you time to become acquainted with the new setting.

You will receive a letter at least two weeks prior to August 23, letting you know if your child will be in the morning or afternoon group.

Please plan to reserve these two dates to come and visit us at Pickwick!

Sincerely,

Michaela O'Connell
Pickwick Early Childhood Center Principal
