IV. OLD BUSINESS

V. NEW BUSINESS
   A. Mileage Discussion—Mr. Mikel showed a comparison report illustrating the cost of using a corporation vehicle versus an individual’s personal vehicle for travel. The board opted to have Frankie study the information in more detail and report back at a later date.

   B. Work-Session on Funding the One-to-One Initiative for the high school. After a presentation by Medical & Municipal Funding on another lease option, reviewing Apple’s lease option and Mark Wagoner’s comments on each option the board voted 5-0 to accept the Apple Lease Contract. Then the board turned to the insurance options to insure each laptop. Greg Miller shared a comparison of premium costs of two vendors. The board agreed they like the concept where each parent/student would have the $100 deductible plan and the corporation would pay the premium difference to have the $0 deductible plan.
