ARTICLE 4 DEDUCTIONS

The BOARD will deduct from the paycheck as regulated by the following guidelines:

4.1 DEDUCTIONS DETAILS:

The Board shall grant teachers the right to voluntary payroll deductions of the Board's and/or the Board's administrative representative's discretion. Examples of such deductions may include, but are not limited to the following: Insurance premiums (LTD, medical, dental, vision, life, cancer, accident), health savings accounts, United Way donations, and 403B contributions.

ARTICLE 5 LEAVES OF ABSENCE

5.1 SICK LEAVE

Teachers will be allotted eleven (11) sick leave days during their first year of employment and allotted nine (9) days for each subsequent year of service. Unused sick leave days will accumulate and be credited to the teacher for use in future years up to a maximum of one hundred eighty (180) days plus the current year's allotment totaling 189 sick days to start any contract year.

All allotted sick days for the current school year may be used for personal sick leave or that of family members. For the purpose of this ARTICLE, the teacher's family shall include all persons domiciled in the teacher's residence. Additionally, included in the teacher's family are the teacher's spouse and the teacher's or spouses' children, siblings, parents, grandparents and grandchildren, regardless of domicile.

- a. Teachers employed to teach summer school classes may be absent from work, with pay, on account of illness or quarantine for one (1) day during the period of summer school employment. Teachers may use up to one (1) additional day of their accumulated sick leave.
- b. Teachers who have been employed in a certified commissioned school prior to being employed in the Bremen Public Schools shall have their accumulated sick leave from the previous corporation transferred into Bremen starting with twenty-five (25) days to be made immediately available during the first year of employment. Subsequent years will allow the transfer of remaining days at the rate of twenty-five (25) days per school year until all days have been transferred or the established maximum allowed has been reached.
- c. Teachers will be allowed up to five (5) paid days for Emergency Family Leave per school year in case of severe illness or accident in the immediate family of the teacher. Emergency Family Leave days cannot accumulate. This leave shall be granted if the following conditions are met.
 1. It meets the definition for family member as defined within this ARTICLE.
 2. Prior to receiving Emergency Family Leave, the teacher must have exhausted all of the current year's family illness allocations.
 3. To be eligible, any remaining personal days combined with unpaid days must be utilized to equal a total of 5 days.
 4. The teacher submits a written request to the superintendent explaining the circumstances.
- d. All or any part of a maternity leave taken because of temporary disability may be charged at the teacher's discretion, to available accumulated sick leave days, including

the current years allotment of sick leave days, provided the attending physician certifies that the employee is unable to perform regular duties.

5.2 SICK LEAVE BANK

A voluntary sick leave bank shall be maintained for the personal benefit of all teachers who elect to join the sick leave bank. Loans from the sick leave bank (BANK) are available only for situations involving personal illness of the teacher. Loans will not be granted for cases concerning illness of family members. This sick leave bank will be regulated by the following conditions and procedures.

a. Structure

1. The annual enrollment period for new membership in the BANK shall close on the thirtieth (30TH) calendar day following the first student day of each school year. Teachers desiring to voluntarily join the BANK may do so during this time frame by submitting a completed application to the superintendent. Teachers employed after the annual enrollment period has closed may join the BANK by submitting a completed application to the superintendent no later than the thirtieth (30TH) calendar day following the date of their employment.
2. Teachers desiring to have membership in the BANK must donate two (2) of their individual personal sick leave days to the BANK. To continue membership thereafter, members must donate one (1) day of individual sick leave to the BANK each year unless the beginning balance of days in the BANK is two hundred (200) or more days. For the purposes of this provision, the beginning balance will be determined after new membership donations and loan repayments have been credited to the BANK.
3. If, at any point in time, the balance of days in the BANK is reduced to thirty (30) days or less, each member of the BANK will automatically be assessed one (1) day of personal sick leave to replenish the BANK, unless the member indicated, in writing, a desire to terminate membership. Written notice of the need to replenish the BANK will be given to all members prior to the assessment being effected. Members desiring to terminate membership must inform the superintendent, in writing, within five (5) workdays after receipt of said notice.
4. Membership in the sick leave bank shall be automatically continued from one school year to the next, unless the member indicated, in writing, his election to withdraw from the BANK. Such withdrawal must be indicated during the annual enrollment period or in accordance with the provisions in paragraph 3 above. Once a member has withdrawn, he/she must follow the procedures for enrollment of new members.
5. All sick leave days donated to the BANK lose their identity and are considered a permanent contribution. They are not transferable in any sense.

b. Procedure

1. A current member of the BANK may request a loan from the BANK only after all of said member's accumulated sick leave and personal business leave days have been used and after said member has been absent, without pay, an additional five (5) days.
2. Application for a loan must be made in writing to the superintendent and must include a physician's certificate stating the nature and estimated length of disability. The application must be submitted by the member or a personal representative in cases where the member is unable to do so. The superintendent shall contact the BEA President as soon as possible so that a COMMITTEE may be formed. (COMMITTEE as defined in BPS Employee Handbook)
3. An application will be acted upon by the COMMITTEE and the Chairperson of the COMMITTEE shall inform the applicant and the superintendent, in writing, of the decision within five (5) days following the Committee's action. The decision of the COMMITTEE shall be final.
4. Loans shall be limited to a maximum of thirty (30) days per application.

c. Repayment of Loan

1. A loan recipient who remains in the employment of Bremen Public Schools shall repay the BANK the borrowed days at the minimum rate of three (3) days per school year until the loan is repaid. The minimum of three (3) days shall be transferred to the BANK at the beginning of each school year. At the member's option, an additional loan payment may be made at the end of the year in an amount up to one-half (1/2) of the member's accumulated sick leave.
2. A loan recipient who leaves the Bremen Public Schools with the loan unpaid must transfer all accumulated sick leave, up to the amount of the unpaid loan, to the BANK before being credited with sick leave, which may be transferred to another corporation. Should such employee return to employment with Bremen Public Schools, any remaining loan balance must be repaid as specified in number 1 above.
3. A loan recipient who retires or becomes totally disabled shall be exempt from repayment of any outstanding loan balance.

5.3 PERSONAL BUSINESS LEAVE

Each teacher is granted three (3) days, with pay, each year for the transaction of personal business or the conduct of personal or civic affairs.

- a. Personal business leave may not be divided into less than half-day units.

- b. No more than two (2) personal business days may be used to extend school holidays or vacations.
- c. All personal business days must be used prior to submitting a request, to the BOARD, for unpaid leave.
- d. Personal business leave days that not used by June 30 will be converted to sick leave days and added to the ongoing sick leave accumulation. For employees who have reached the 180 sick leave day cap, unused personal days will be purchased back at the current licensed substitute rate.

5.4 BEREAVEMENT LEAVE

A teacher may be absent from work, with pay, because of a death of the teacher's spouse, for not more than ten (10) days within 30 days following the death. A teacher may be absent from work, with pay, because of a death in the teacher's family, as defined in ARTICLE 5.1, for not more than five (5) days within 30 days following the death. A teacher may be absent from work with pay because of the death of a close friend or relative not included in the above definition of the teacher's family for one (1) day. Requests for bereavement leave, outside the scope of the defined policy, may be made in writing to the superintendent and addressed on a case-by-case basis.

If military service is required of a teacher because of a National Guard or Reserve encampment or a period of active duty for training or due to any emergency situation during the school year, the teacher required to participate shall be granted a temporary leave of absence. During such leave, the employee will receive his regular salary for a period not to exceed fifteen (15) days in any one calendar year.

5.6 ASSAULT

Appearance before a judicial body or legal authority as a result of assault by a student or outsider in the course of their duties as a teacher will not result in loss of wages or in reduction of accumulated sick leave of the teacher.

- c. Compensation – Years of Experience and Teacher Evaluation will be the only factors for compensation calculations. A teacher must receive a rating of highly effective or effective in order to qualify for any additional compensation. The teacher remains at their current base salary with any other rating. This does not include the ECA salaries (See Appendix A).
- d. **Certified Salary Savings Reallocation** - Members of the bargaining unit shall receive an increase funded from the savings of retiring and resigning bargaining unit members. For 2016-17, the total amount of the increase is \$44,489 to be distributed to highly effective and effective teachers who were on staff in 2015-16 and who are current employees for the 2016-17 school year. Each highly effective and effective teacher will receive their

increase defined by this contract within two pay periods of contract ratification and BOARD approval. This increase will be distributed through a single retroactive pay amount followed by an adjusted bi-weekly amount for the remainder of the contract. One hundred percent (100%) of this amount will be applied to the annual base salary of each qualifying employee.

- e. **Enrollment Driven Funding** –Sixty-five percent (65%) of new revenue shall be made available for teacher salaries and fringe benefits.

New revenue is defined as Tuition Support, Special Education Grant, Vocational Grant and Complexity Index Grant and will be determined after all enrollment counts (ADM, Vocational, and Special Education) are finalized. Once the actual numbers are known (in February or March), payment will be made based on the actual funding amount. Teachers will be issued a revised contract at this time to reflect this increase, if applicable.

The enrollment driven funding increase will be distributed in one lump sum payment for all qualifying employees.

For highly effective teachers: one hundred percent (100%) of the enrollment driven funding increase will be applied to the annual base salary of each qualifying employee.

For effective teachers: sixty-seven percent (67%) of the enrollment driven funding increase will be applied to the annual base salary of each qualifying employee.

For new to Bremen teachers: This will serve as a stipend only and none of enrollment driven funding increase (0%) will be applied to the annual base salary.

- f. If a second year (2 years total teaching experience) teacher’s ending base salary (for the current year’s contract) is less than the current year’s new to Bremen beginning base teaching salary, the teacher’s ending base salary will be increased to match the new to Bremen initial base salary provided that his/her evaluation rating is either effective or highly effective.

This philosophy was discussed, but was not part of the collective bargaining process.

** Discretionary Stipend 3,000

* Boys and Girls sports that compete in the same season and have one coach are figured at 1.5 times the tiered salary. If two separate people hold the positions, each coach is paid at the respective rate.

** Discretionary Stipend: The purpose of the Discretionary Stipend is to allow for the expansion of extracurricular programs as the need arises. The Superintendent will consider recommendations from the School Administration and, prior to approval, allow the BEA an opportunity to provide input. Compensation may be used to obtain additional coaches, directors, and sponsors as participation levels dictate or as the need arises. Examples may include freshman, junior varsity athletic programs, middle school feeder programs, sports without an assistant coaching stipend, open facility supervision, additional director or sponsor positions, etc.
