   B. The discussion of the Board Compensation Per Diem will be brought back at the next regular session meeting after further research of other corporations.

   C. The following resolution was presented:

   In recognition of the extraordinary contributions of Coach Marty Huber

   Whereas, as head football coach, Marty Huber led the program team to Bremen’s first State Final in any team sport in 1988, a State Championship in 1994, and another State Finals appearance in 1995. With Huber at the helm, Bremen football won 6 sectionals and 5 Regionals in just 10 seasons for a career record of 91 wins vs. just 30 losses. Additionally, Bremen has benefitted from having one of Indiana’s very best assistant coaches on the sideline as Huber invested an additional 20 years in that capacity.

   Whereas, for 22 seasons, Marty Huber led Bremen girls’ basketball to 281 wins. He achieved more championships than any other girls’ coach in Bi-County Tournament history (7) and led his team to 9 conference titles. Huber’s Lady Lions won the Northern Lakes Conference championship in 5 of their 11 years, while Bremen was by far the smallest school in the league. In 1986, under Huber’s guidance, Bremen came within one possession of the State Finals in Indiana’s one-class tournament. Huber’s girls won 5 sectionals and 2 regional championships – the only ones in program history – and all but one of those came prior to class basketball.

   Whereas, Marty Huber served as head track coach from 1979-1981 and High School Athletic Director from 1999-2004. In all, he has given more than 60 sports seasons to three generations of Bremen athletes. His
contributions to our community will live on long beyond his tenure because of the investment he has made in the young coaches around him. 

**Whereas,** Marty Huber would be the first to deflect this praise and to credit his players, the coaches he learned from, and his assistant coaches and support staff for his teams’ success. 

**And whereas,** Athletic Director Troy Holmes summarized Huber’s contribution in 2012, saying, "The records and championships achieved by Huber-coached teams are very impressive, but I view Coach Huber’s accomplishments in other areas as more important. His ability to teach players the team concept has been very evident. He gets players to buy in, accept and excel in their roles. Opposing coaches and officials alike have commented on numerous occasions that Marty 'will have his team ready to play.' They say 'Huber’s teams always play hard' or 'Bremen teams will run through a wall for Coach Huber.'"

"Most of all, I appreciate the love Coach Huber has for all his players – and the feelings that players, both past and present, have for him... I have always told myself if a new high school sport was invented today and I had to name my head coach immediately, it would be Martin K. Huber. I believe he could coach anything."

**Therefore,** in recognition of his extraordinary dedication to Bremen’s student athletes and the unsurpassed level of success he has led them to, Bremen Public Schools extends its gratitude and recognizes the Athletic Department’s addition of Martin K. Huber, his name and accomplishments to the coaches’ section of the Wall of Fame in the 2018-19 school year.
